Venice School Budget Up \$257,172

**\$1,289,319 Total Set;
Includes Adult School
For Relief Recipients**

The Venice board of education adopted a tentative budget totaling \$1,289,319 for the 1968-69 school year, an increase of \$257,172 over last year, at its regular meeting Monday night.

Major reason for the hike was establishment of a new adult education program for public aid recipients at the old Lincoln school. It provides \$327,720 for the program in the education fund, which was increased by a total of \$203,675 to \$1,009,068.

The school district will receive tuition revenues in the same amount for the public aid program.

The new program also increased the transportation fund from \$22,317 last year to \$61,988, as the district is providing bus transportation for public aid students from Brooklyn, Fairmont City, Washington Park and Granite City. About \$45,000 of the transportation cost will be reimbursed.

Salaries for instruction at the grade and high school levels are up \$65,885 to \$622,908 and provide for pay increases ranging from \$39 to \$83 per month.

Amounts appropriated for other funds include:

Building, \$142,793, up \$13,091; bonds and interest, \$61,780, up \$3,343; municipal retirement, \$12,719, up \$2,776; and working cash, none, down \$10,475.

Working Cash Fund Loan

Estimated gross revenue is \$1,228,885, showing a deficit of \$39,434, which is to be offset by a \$62,000 loan from the working cash fund.

A comparative breakdown of the education fund follows:

Administration, \$50,280, up \$31,735; instruction, \$622,908, up \$65,885; health, \$9240, up \$270; operation, \$890, down \$200; maintenance, \$2,000, up \$500; used charges, \$16,500, up \$2,500.

Adult education, \$327,720, up \$221,720; athletic program, \$350, down \$200; lunch program, \$38,618, down \$697; economic opportunities, project, none, down \$1420; capital outlay, \$11,600, up \$2600; total, \$1,009,068, up \$257,172.

A comparative breakdown of the building fund follows:

Operation, \$69,793, up \$11,841; maintenance, \$23,000, up \$200; fixed charges, \$4,000, up \$1000; capital outlay, \$16,000, down \$1800; total, \$142,793, up \$13,091.

The new budget is posted for public inspection in the office of the superintendent of schools and will be up for final adoption at the board's September meeting.

Council Schedules Session Tonight for Negotiations

Efforts to end a two-week stalemate over contract terms for city employees will be resumed tonight at the city hall, where the Granite City council will convene in recessed session to negotiate wage issues with representatives of all city departments.

The meeting is to get underway at 8 p.m., with the afternoon forming a "committee of the whole" for the negotiations. Decision that all members of the council hereafter will serve as a city negotiating committee to deal with union requests for wage increases for city employees was reached in a 10-minute closed caucus of council members during the regular council session Monday night.

Announcement of plans for tonight's meeting brought heated protests from union representatives and a storm of disapproval from the packed audience.

Union leaders objected primarily to the inclusion of all city departments in the negotia-

tion session and to holding the meeting in the city hall.

Might Reach Settlement

Mayor Donald Partney told the union leaders that he stood ready to meet with them at any time and at any place, but that since there is a possibility of settling the wage controversy the council could take official action only in the city hall.

Council members refused to take action on suggestions by union negotiators that the meeting be held in the Labor Temple.

Harold Benedict, staff representative of the State, County and Municipal Employees union, told the council meeting:

"This is the first time I've ever been faced with the necessity of negotiating at an official council meeting."

Harry Hillman, president of the Granite City Firemen's Union Local 43, predicted tonight's meeting will be "mass confusion" and told the council Monday night that "I want to go on record as strictly against this mass meeting."

"You'll have 16 aldermen,"

Mayor Will Sell Interest

Venice Link With Landfill Usage Called 'Temporary'

The controversial Mal landfill, which Mayor John E. Lee of Venice is part owner, is being used to dispose of trash and garbage on a "temporary" basis, Mayor Lee told the Press-Record yesterday.

"Of course, this presents a conflict of interest so far as I am concerned, but I notified the city council members several weeks ago that I had a financial interest in the landfill and the council would have to use its own discretion in using the site for Venice trash disposal," the mayor said.

Bulletin: Mayor Lee announced this morning that he has disposed of his one-third interest in the Mal landfill on Route 209 to the city of Venice or myself in a conflict of interest?" He said he completed the transactions for sale of his interests in the landfill yesterday afternoon.

He said the Mal landfill is being used by the Venice street department because trucks recently have been unable to get into the Bud Brown dumping area (Midway Landfill) and "operators there could offer us means of getting city trucks out if they became stuck."

Two loads of trash were hauled from Venice Monday, the first time the city has used the dumping site, and several loads were taken there Tuesday, he said.

The city pays \$5 per load for dumping at Mal. Previously the city used the Granite City landfill on Route 209 for a flat charge of \$200 per month, but lost this source of disposal when the area became filled.

Mayor Lee said that as a result of developments involving him and the city of Venice in a conflict of interest, he is

planning to dispose of his interest in the project which, he said, has resulted in no financial returns to the three partners.

While opponents of the Mal landfill operation claim gross receipts at the dump, where 75% of the business comes from Missouri haulers, range from \$110,000 to \$250,000, Mayor Lee contended the business has been grossing about \$6500 per month and that from \$3000 to \$4000 goes for expenses. Mal, he said, is leasing most of its heavy equipment.

"The landfill has been operating three bulldozers and a grapple crane to bury trash. Mal charges 35 cents and 25 cents per cubic yard for large haulers and residential refuse trucks and a minimum of 50 cents for individual small haulers."

Leo Abel, operator of the landfill and a partner in the

(Continued on page 9, col. 7)

15 Are Operated On at Granite City Hospital

The following are recovering at St. Elizabeth's Hospital after surgery which they underwent since Monday:

Police Capt. Frank Dutko, 51, of Fifth street, Madison; Marilyn Durney, 51, 919 Alton road; Mildred Conley, 51, Rhodes street; Ray L. Schaefer, 208 Stearns avenue; Thomas Wallis, 309 Willow avenue; Matilda Finley, 811 Madison avenue, Madison; Bertha E. Eaton, 2812 McLennan, Ill.; David Busome, 2821 Maryville drive; Walter Stephens, 43 Villa drive; Minnie A. Frohman, 294 Delmar avenue; Robert Macke, 2240 Thirteenth street; Joseph Nemeth, 1861 Spring avenue; Martha Bronsmann, 2443 Ponton road; Lucy Grizzle, 2409 Antioch; and Deborah Curtis, 2355 Stratford lane.

Ranft Firm Sold, Operated Here 55 Years

One of the oldest firms in the Quad-Cities—the J. C. Ranft Bottling Company, bottlers of Whistle and Yess soft drink beverages—has been sold to the Vess Bottling Co. of St. Louis.

The first time the city has used the dumping site, and several loads were taken there Tuesday, he said.

The Ranft Bottling Co. has been operating in this community for two generations, spanning a period of 55 years.

Ranft said the entire operation will be transferred to the Vess St. Louis plant and all driver-salesmen and supervisory personnel will be retained by the new owner. The local plant employs 16 to 18 people.

Disposition of the building and equipment has not been decided.

Ranft announced that special events equipment and the premises portion of the business has been sold to Wagner Seven-Up Bottling Co. of Madison, which will continue servicing all special activities in the Quad-City area.

The coffee and food vending

department of the company has been purchased by Zimring & Sons Vending Co., 1832 State street.

Serve Wide Area

The local businessman noted that the Granite City plant services a wide region and has a distributor in the Centralia area.

He stressed there will be no interruption in service and that the same people will continue to service local outlets.

Only the bottling operation moved to the main Vess plant in St. Louis.

The J. C. Ranft Bottling Co. was started in April 1913 by Carl Ranft's father, the late Joseph C. Ranft of Granite City.

At that time, the plant was located across the street from Granite City Steel Co., at 2004 street and Washington avenue. The firm was moved to its present location at 2116 Grand avenue in 1916.

Originally a Partnership

Initially, the business was conducted as a partnership between J. C. Ranft and Charles

NEW VENICE TOWNSHIP ASSESSOR Mrs. Elizabeth Bergrath, widow of Assessor Joseph Bergrath, is shown at her home last night after being sworn in to complete the term ending in December 1969. A Madisonian 50 years, she is a veteran member of the property assessing staff.

New Cold Strip Mill Issue on August Street

Proposed construction of a new cold strip mill by Granite City Steel Co. in the vicinity of the blast furnace division near Edwardsville road was revealed Monday night.

Debate by city council members over a motion to file condemnation proceedings against the steel company to acquire right-of-way needed for a stormwater sewer channel.

The disclosure was made by Third Ward Alderman Clyde Boyd at the height of an argument over the city's ability to spend approximately \$100,000 believed needed to acquire the easement by condemnation.

In response to a motion by Second Ward Alderman Edmund Bartoskiak that "immediate" condemnation action be taken because the right-of-way is vital to construction of the city's stormwater sewer system, Boyd pointed out that the city has pending an offer by Granite City Steel Co. to trade nine acres of land, including the needed right-of-way, for three acres of land that would require vacation of August street.

Would Employ About 600

"How do you think you're going to pay for it?" Boyd asked.

"We have an agreement with Granite City Steel whereby they will give me nine acres for three acres. They intend to build a new cold strip department that will employ about 600 people. I can't believe that we would pass up a deal like this by refusing to transfer the property."

Bartoskiak urged the condemnation action as a means of acquiring the right-of-way needed to build a sewer ditch along Edwardsville road and Nameoki road that would carry stormwater drainage from a major part of the city's new stormwater sewer system to the Nameoki drainage canal and thence into Horseshoe Lake.

The proposed property exchange between the city and Granite City Steel Co. has been a major part of the city's new stormwater sewer system. The city has been negotiating with the company for many months.

Council members have rejected several efforts to vacate August street along industrial sites between East 23rd street and Edwardsville road on

(Continued on page 9, col. 4)

Agree on New Contract In Water Firm Strike

A new contract agreement for about 18 employees of the East St. Louis & Interurban Water Co. has been reached between the company and Laborers Local 397, it was announced today.

The new proposal will be submitted to union members for ratification in a meeting at the Labor Temple at 7:30 p.m. today, union officials said.

Terms of the new contract were not released pending their approval by union members. It is ratified it will end a strike that began July 1. Increased wages and fringe benefits were the major points at issue.

The union did not picket the company's facilities and the union provided an emergency crew on a standby basis. A water company spokesman said the strike had been conducted without incident.

Meanwhile, a strike of 25 employees continued at Chris Kays Plastics Manufacturing Co. at 1200 Madison avenue. Negotiations for a new contract were broken off two weeks ago and the plant has been picketed since.

The old contract expired July 1. The striking employees are members of Boilemakers Union Local 1012 of St. Louis. John Hurt, business representative, said a principal cause of the deadlock is a union request for a guaranteed 40-hour work week.

Sawed Off Lock Puzzles Officials

A heavy lock was sawed off the old toll house at the Missouri approach to the Madison-owned Chain of Rocks Bridge and was replaced with another, it was reported at the Madison city council meeting Tuesday night.

Reason for the switch left city officials in a quandary, as the building is vacant. It was suggested that the building was being used for a nocturnal "floating crap game."

The strange lock was removed and replaced with another. The original lock cost about \$9.

McCambridge will be closed to traffic for about two weeks, and vehicles will be routed along Sixth street, Highland avenue and Rhodes street.

The work is expected to start about the first of next week, and Mayor Stephen Maeras hopes it will be completed before the start of school.

Unsuccessful bidders were the A. H. Seebold Truck & Excavating Co. of Granite City, \$71,421; Modern Asphalt Paving Construction Co. of East St. Louis, \$74,582; and G. Helmkamp Excavating & Trucking Co. of Wood River, \$94,528.

The new sewers also will serve the Maeras Industrial Park and will ease the burden on Madison's sanitary sewers.

Urban Renewal

Mayor Maeras reviewed a proposed urban renewal program for North Venice and West Madison, previously announced, to replace or rehabilitate homes and return them to their original owners.

With federal financing, the owners could repay loans at low rates of interest. The mayor said the rehabilitation program could include buildings on State street in Madison.

A consulting engineer is to be obtained by the Southeastern Illinois Metropolitan Plan Commission.

Hospital Accepts \$7 Million Bid For New Wing

**Dant Resigns as
MHS Principal;
Successor Sought**

Francis Dant, principal of Madison high school for the past five years, has resigned his position and formal acceptance was made by the board of education at a special meeting Tuesday night.

The resignation, briefly termed in a 1½-line sentence, gave no reason for the move and did not stipulate future plans.

The board is now seeking a successor and is accepting applications from qualified personnel.

Dant was principal when student walkouts occurred at the school over racial tension last fall. A board member said that situation had nothing to do with the resignation, however.

A native of Madison, he is a graduate of Madison high school and was first employed by the district in the 1951-52 school year.

He served as head football, basketball and baseball coach, with a basketball team advancing to the state tournament, until he became principal at Harris grade school, where he served several years before his return to MHS.

Dant could not be reached for comment yesterday or today.

East St. Louis Woman Found In Canal Chute

The body of Mrs. Ann Clifton, 43, East St. Louis was found floating in a Cahokia canal drainage chute at Horseshoe Lake at Highway 11 near Interstate 70 at 9 a.m. Tuesday.

The woman apparently had been severely beaten and thrown into the canal, according to Madison county Sheriff Deputy Sheriff Frank Schmidt.

A cord interview with her husband was set for today.

Coroner Leonard Davis, who will conduct an inquest, said he had been dead about four hours.

An autopsy was conducted and Davis is awaiting a full report before determining the cause of death. It was undetermined if homicide was involved.

The body was found by a family of fishermen from Wood River, and state police were called. The area is littered with cans and other debris. A black purse, a brown paper bag,

(Continued on page 9, col. 7)

Approval Sought From Government to Expand, Modernize Facilities

Construction of a new St. Elizabeth Hospital wing near a "green light" Tuesday afternoon with the approval of a \$7,619,024 contract with S. M. Wilson & Co., low bidder.

After ratifications by the Illinois Department of Public Health and U. S. Public Health Service, a groundbreaking date will be set.

The contract includes a \$6,853,374 base bid plus \$669,925 for inclusion of a fourth floor of the wing, \$73,100 for kitchen air-conditioning, \$20,880 surgical lights, \$3324 water tube boiler, \$4040 vinyl, \$1355 expanded call-board and \$410 relocation of laundry mechanical work, with six deductions totaling \$50,584 related to a curtain wall, glass, pump, pipe and unit ventilator.

The contract substantially exceeds advance cost projections, due to rising building costs, which will necessitate a larger loan than originally planned. However, it is believed that delay would result in even further increases in the cost of the wing.

Beds to Total 312

The project will result in the local hospital having 312 beds, all conforming to desired state standards, including 264 medical-surgical and 48 for extended care. At present, there are 250 medical-surgical beds, only 28 of which conform.

The new structure to be erected on the west side of the 2100 block of Iowa street will provide the 48 extended care beds, 14 new medical-surgical beds and 74 replacement medical-surgical beds; 176 existing beds will be remodeled.

The \$7,619,024 contract together with related costs will result in construction expenditures totaling \$8,714,452, or 28.6% more than estimated.

Costs creating this total consist of the building contract plus \$500,000 for movable equipment, \$457,155 architectural fees, \$76,199 medical consultant fees and a \$2034 site survey.

Grant, Contributions

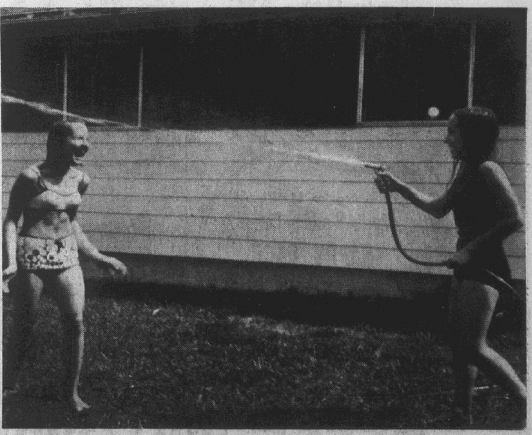

Available money includes \$1,392,537 in federal funds under the Hill-Burton Act and \$1,181,564 in hospital modernization-expansion fund contributions and pledges.

With \$850,000 currently available and \$270,592 of fees already paid, the additional funds required total \$5,101,003 (figuring the drive income at \$1,100,000).

In planning amortization of the debt over a long term, the

Lives Gambled, Often Lost By Swimmers at River Dam

By PETE MAER

Waiting sirens pierce the hot summer air as ambulances, police cars and other emergency vehicles push through a curious crowd of onlookers.

The scene has been created many times in recent summers as more people take a gamble and lose to the turbulent waters of the Mississippi River near the Low Water Dam, north of Granite City.

It is a sad picture which is painted as rescue workers start the gruesome task of recovering the body of the latest victim of the angry waters of "Old Man River."

Fourteen persons have drowned in the vicinity of the Low Water Dam in the past two summers, according to Madison County Coroner Leonard Davis.

There were nine victims last summer. This year's toll is five, and Davis predicts more to come before the autumn leaves turn to gold.

The most recent fatalities were two youths who never returned home to see this year's Fourth of July fireworks.

Coroner Davis said there are many reasons for the tragic number of drownings and termed "inadequate publicity" concerning the dangers of the river as one cause.

"Most people just don't realize their own abilities. They think that because they can swim in pools and lakes, they

can make it in the river," the coroner explained.

Davis, who has the unpleasant task of identifying victims and notifying relatives, said that most of the drownings occur near a large sandbar south of the dam. He described the area as being "filled with whirlpools," and said that people lose all control of their safety when they encounter the pools.

The coroner advises the public to stay away from the river, and called for "more education about this dangerous situation."

Local law enforcement agencies also expressed concern over the number of recent drownings at the dam and at nearby Harvard Caving Canal.

Mrs. Ruby Overbeck of the Red Cross said the public should take advantage of the numerous swimming courses offered by the Red Cross, YMCA, Boy Scouts and other organizations.

Clark Niepert, manager of Granite City's Wilson Park pool and a Red Cross water safety instructor, voiced the opinion that "most people do not realize their own swimming abilities."

Niepert also said that the river is "no place for a bathing beach," and advised the public to utilize the many supervised facilities in this area.

Fourteen people will never swim again. They might be alive today if they had known of the dangers of the mighty Mississippi.

Aiassi in International Biography Dictionary

Eugene L. Aiassi, consultant of art education for the Granite City school district, has been selected for a biographical inclusion in the 1969-70 edition of the Dictionary of International Biography. It will include a "biographical record of contemporary achievement for outstanding participation" in his field.

The DIB is established throughout the world and may be consulted in every major library in 109 countries. The honorable general editor is Ernest Kay, doctor of literature, who is also managing editor of John O'London's Literary magazine (London), editor of the London Evening News and fellow of the Royal Society of Arts.

President of the DIB until his death was his Imperial Majesty, Haile Selassie I, emperor of Ethiopia. Members of the editorial board include Gustav Davidson, M.A., author and publisher, New York, N. Y.; Professor Carl Bode, Ph.D., M.A. of English at the University of Maryland; Thomas Rae, founder of Signet Press, Scotland; Frank G. Barker, B.A., editor, London, England; Olga Stringfellow, author-critic, London, England; Baird Hastings, B.O., New York, N. Y.; and Fraser B. Drew, Ph.D., M.A., State University of Buffalo, N. Y.

Counseling Could Curb Divorces, Rotarians Told

With Herb Schermer as program chairman for a weekly meeting Tuesday of the Granite City Rotary club, Dr. Donald Taylor of SIU-SW spoke on counseling married couples to aid them in achieving harmony. "Marriages can become sick and they need professional help the same as if an individual gets sick and consults a doctor," he commented.

Dr. Taylor stressed that too many people fail to seek aid which could save their marriage, and instead obtain a divorce. Another cause for discord in young marriages is the fact young people have a tendency to try and live as their parents have, with different personalities involved, this does not prove to be a happy formula, he said.

As the children grow up and leave home, parents find they have an adjustment to make; for years, the wife has devoted so much time to the children that she is at a loss with only one person to take care of, her husband, he related. For this adjustment, Dr. Taylor suggested that a couple tailor their lives so that both members realize something from the marriage.

During a business session, Warren Decatur, president, announced that all board members and officers are to meet tonight at 7:30 at the Rose Bowl.

A discussion followed on the club's Home Show, which will be held Sept. 19, 20, 21 and 22 at the rink pavilion in Wilson Park. Booths will be set up on Sept. 18 and booth sales are now underway.

100-Year Total Membership By 2 Quad-City Carpenters

Carpenters Local 683 is honoring two of its members this summer for completing a combined total of 100 years of membership in the union, it was reported today by Financial Secretary-Treasurer Edward Hag-

nauer. They are Ralph Greider, 60-year pin, and Aden Boone, 40-year pin. Both are retired. However, many of those newly qualifying for 30-year pins are still working in the trade.

Officers beginning terms are Hagauer; Ray C. Adams, trustee; and John Burns, Cadmus and N. C. Outland, delegates to the District Council.

Joseph Dittich, Ronald Kohl-miller, Robert Moore, Roger Fountain and Jerry Patton have newly qualified for completion diplomas. Charles Burk has been awarded a past president pin.

Long-term members being recognized include:

Thirty years—Alexander Austin, Primo Bertachchi, Charles Burk, Harold Carter, Lee Converse, Irving Dick, A. P. Dulgeroff, Ray Flinn, Wilbert Gafford, Gerald Greider, John Hagan, J. C. Harp, John Huffard, Ed Hunt, Lloyd James, Earl Kircher, G. W. Lane, Dean V. Lee, Roy Link, Milton Nebbett, Frank Ortmann, N. C. Outland, Ivar

Paavola, William Poeling, Everett Rice, Seigi Weir, George Wolfe and M. H. Wolfe.

Twenty-five years—

Henry Alborn, Earl Bloomquist, Harold Bloomquist, Russell Boushard, William Brennan, Robert Bridges, Ivy Butlingame, Wilbur Butcher, Raymond Cadmus, Allen Cox, Elmer Creath, Herndon DeLany, Orville Deltour, Erwin Doty, Harold Fetter, Charlie Finley, Willard Fitch, Adolph Flach, Ben F. Forshee, Theo. Friedrich, Carl Fuller, Cliff Given-

rod, Leo Gooney.

Twenty years—

Sidney Griffin, Elmer Hacker, W. C. Helm, Carl Hodson, Art Howell, Glenn Johnson, Steve Kaman, Steve Kassa, Franklin Klous, Edgar Kofahl, Carl Lambird, John Lasky, John Lusania, Terry McGovern, Frank Malone, Maynard Mercer, Raymond Miller, Orvel Mitchell, Edwin Moore sr., Cecil Morgan, Orville Morstain, Elroy Paschedag sr., Lawrence Pashia, Clarence Pettit, Veri Pitchford, John Pryor, Clarence Ready, Lloyd Rice, Elijah Riley, Matt Schiber, Ray Sharp, Sam Sortor, Ben Stamps, Bernard Teator, Howard Theobus, Wm. H. Thomas, Clay Tindall, Paul Vaughn, Luther Wallace sr., Thomas Wallace, Richard Williams, W. D. Williams and Leo Wolz.

Mission Will Reopen, Church to Be Sponsor

The 65-year-old Lincoln Place Mission, located at 620 Niedringhaus avenue, will reopen under the sponsorship of First Baptist Church, 21st street and Delmar avenue.

The church pastor, Rev. Edward Hamilton, has announced the Mission will launch its newly organized program Sept. 1.

The program will consist of Sunday morning worship, 9:30; Sunday school, 10:30 a.m.; mid-week Bible study; Girls Auxiliary; and a kindergarten and nursery school combination. The programs have been designed for all ages.

The church is extending an invitation to all living near the Mission to attend the services.

Until Aug. 1, the Home Mission Board of the Southern Baptist Convention operated the Mission.

Break Into Washers At Automatic Laundry

Three juveniles were booked by Venice police last night after the youths broke open three washers and attempted to break open a dryer at the laundromat at Market and State streets. The boys are 11, 12 and 14 years old.

Police said they saw the boys leaving the laundromat with one of them holding a hammer in his hands. As police approached, the boy threw the hammer in the weeds. Each boy had several quarters in his pocket. They admitted breaking into the machines.

Levee Board Meets

The East Side Levee and Sanitary District board approved claims of \$32,963 and a payroll of \$53,608 during a brief meeting in the district's East St. Louis offices yesterday. The board also approved requests of Union Electric Co for easements at locations in St. Clair county. The board's next meeting will be held Sept. 4.

MISS KRISTY HENSON

Miss Henson Completes Her Training as Nurse

Miss Kristy Linn Henson, a daughter of Mr. and Mrs. Otis Henson, 2245 O'Hare avenue, graduated this week from the Jewish Hospital School of Nursing in a ceremony held at the United Hebrew Temple in St. Louis.

While in training, Miss Henson held the office of secretary-treasurer of the freshman class and recording secretary and treasurer of the student body. She was also crowned "spring queen" this year.

She plans to remain on the nursing staff at the hospital.

Evans to Head 1972

Combat Team Conclave

Edward J. Evans, 2821 Iowa street, has been named chairman of a national convocation of a world war II combat team to be held in 1972 in St. Louis.

He and Mrs. Evans returned this week from a convention of the 336th Combat Team of the 85th Infantry Division held in New York City.

The unit consists of the 336th Infantry Bn., the 910th Field Artillery, Co. C, 310th Engineers, and Co. C, 310th Medical unit.

He urged anyone in this area who was a member of the combat team to contact him at 876-0883, or an assistant, M. E. Bartosiak, 876-2000, Ext. 31, at the Press-Record.

Evans, sales representative for Reilly Tar & Chemical Co., said the next convention will be held in August of 1970 in Washington, D. C., and that a combat team memorial plaque will be presented at Arlington National Cemetery.

Evans served as a lieutenant in the 310th Engineers with service in Africa and Italy.

Undergoes Surgery

Terry Colp, 17, a son of Mr. and Mrs. William N. Colp, 4101 Kirkpatrick Homes, will be released during the weekend from St. Elizabeth Hospital, Belleville, where he underwent plastic surgery Monday. He will be a senior at Granite City high school this fall.

Madison Police Brave Fire to Warn Occupants

Two Madison police officers broke into a burning house at 1334 Third street at 1:45 a.m. yesterday after they had knocked on doors and windows to warn the occupants, but found the house empty.

Police and firemen were called by a neighbor and by Patrolmen William Papa and Edward Goclan arrived, flames were coming out of the rear windows on the second floor of the house.

Papa and Goclan reported they knocked on the doors and windows but got no response. Believing someone might be in the house, they broke through the front door and searched the downstairs. They were unable to get upstairs because of the smoke and heat.

They notified Fire Chief Edward G. Miller. The chief and other firemen made their way upstairs to find the burning bedrooms unoccupied.

Miller said the family of Frank Vaughn which occupied the house was on a vacation trip to Texas.

He estimated damage at \$1500 to the building and \$750 to the contents. Origin of the fire was not determined. Firemen were at the scene an hour and one half and kept the blaze confined to the two upstairs bedrooms.

Mrs. Christine Brady Succumbs at Age 88

Mrs. Christine A. Brady, 88, of 219 Woodlawn avenue was pronounced dead on arrival at St. Elizabeth Hospital after being stricken at her home at 4:15 p.m. Tuesday. She had been under medical care and was ill for several years.

Born in Hamlet, Ill., she had resided locally for 72 years, and had been employed at the C. D. Rosenberg department store from 1897 to 1903. She was a member of Concordia Lutheran Church.

Surviving are her husband, Austin Brady; one son, Everette "Red" Brady; two daughters, Mrs. John (Vera) Calverly and Mrs. Benjamin (Velma) Lamm, all of Granite City; 12 grandchildren, 20 great-grandchildren and one great-great-grandchild.

Funeral arrangements are given in today's obituary column.

Father of Mrs. Brandt Succumbs in Alton Area

Funeral services were held Wednesday in Alton for Rhine S. Grable, 54, Cottage Hills, who died at 2:30 p.m. Monday at Alton Memorial Hospital, where he had been hospitalized for three days. He had been ill for a year.

He is survived by his wife, Mrs. Madolyn Grable; four daughters, including Mrs. Iris Brandt, who lives in Granite City; a son, three grandchildren, a sister and three brothers.

Many From Here Will Attend Illinois State Fair

Thousands of Illinoisans and out-of-state visitors are expected to converge this weekend on the state fairgrounds in Springfield for the 1968 Illinois State Fair, which opens at 10 a.m. Friday with three top-flight attractions—Sequentennial Parade Day, Cavalcade of Music and Youth Day.

An impressive array of entertainers, thrilling carnival rides, livestock exhibitions, horse and stock car races, a rodeo and nightly grandstand shows will be offered during the ten-day event.

Fairgoers will enjoy a vast range of musical talents, from the "Champagne Music" of the Lawrence Walk Show Aug. 16-17 to Grand Ole Opry this Saturday of the "in sound" of The Association tomorrow.

Entertainers will include Don Adams, the kooky star of television's "Get Smart"; Aug. 14-15, Flip Wilson, a bright young comedian and singer, Aug. 13-14-15 and Ed Ames, who portrays Mingo in the Dan-

iel Boone series, appearing Aug. 13.

Featured among the fairground exhibitions will be a giant U.S. Air Force Titan missile through which the public may walk. Or, fairgoers can stroll through an exact reproduction of the Cartwright's living room on the Ponderosa ranch, exactly as it appears in "Bonanza."

Racing enthusiasts may view seven days of harness racing spotlighting the nation's top horses and drivers, or central states' richest quarterhorse races, with \$50,000 in purses, slated to take place Monday evening.

On Saturday, Aug. 17, drivers will compete in the "100-mile national auto race," and late-model stock cars will take the

track for national championship honors Sunday afternoon and evening, Aug. 18.

Midway rides this year will feature a giant slide—the world's largest, measuring 80 feet high and 120 feet long. Antique farm equipment and a farm museum will vie for inspection with Sequentennial art exhibits, and an authentic art colony will bring the best artworks in the state for display.

Contrasting demonstrations will include an oldtime spinning wheel to the 2001 A.D. "space age" kitchen, where one presses a button and a complete meal appears in seconds.

Livestock, horticultural exhibits, jams and jellies and the finest crops will be judged for coveted blue ribbons.

A group of 43 Granite Cityans will attend the fair Saturday, Aug. 17, under a program sponsored by the Granite City park district, Supt. Harold Brown announced today.

The official 1968 State Fair program, includes: Friday—Sequentennial Parade Day, cavalcade of music and youth day; Saturday—Labor Day and Editor's Day; Sunday—Veterans' Day, with all veterans admitted free.

Monday—Colt Stake; Tuesday—Farm City Day, Junior Activities Day and champion steer carcass show and sale; Wednesday—Republican day; Thursday—governor's day; Friday—golden age day; Saturday, Aug. 17—100 mile auto race; and Sunday, Aug. 18—stock car races.

Girl Enters Shriners Hospital in St. Louis

Susan Faye Hopkins, daughter of Mr. and Mrs. Ernest H. Hopkins, 2100 Garfield avenue, entered the Shriners Hospital for Crippled Children in St. Louis Tuesday.

Susan, who celebrated her ninth birthday Wednesday, will be a patient in the hospital for some time and will undergo surgery in about two weeks. She is a fourth grade pupil at Frohardt school.

Church Service Friday

A "healing service" will be held at 7:30 p.m. at the Full Gospel Church, 2833 Missouri avenue, in connection with revival services being conducted there by Evangelist Howard Fry, the pastor, Rev. Hubert Lyle has announced.

Mrs. McFarland Dies At 75; Former Resident

Mrs. Lulu McFarland, 75, Bismark, Mo., a former local resident at the Bellevue Nursing Home, Bellevue, Mo., where she had been a patient for the past two years.

The family moved from this area 30 years ago.

Survivors include her husband, Claude McFarland; eight children, 20 grandchildren and six great-grandchildren; two sisters, Mrs. Verna Shone of Granite City, and Mrs. Clyde Pool, Benton Harbor, Mich.; and a brother Robert Imboden, Alhambra, Ill.

Funeral services will be conducted at 2 p.m. today in Caldecott, Mo.

Granite City PRESS-RECORD Thurs., Aug. 8, 1968 Page 5

Backs Against Vehicle

After her auto stalled in the intersection of Richmond avenue and Namecki road at 3:50 p.m. Tuesday, Mrs. Tevi Lambert, 3521 Gaslight Walk, was able to restart it and placed the car into reverse to permit traffic to pass. However, the car struck the front of a vehicle driven by Jeanette Ballard, 2883 East 24th street.

Wiring Causes \$10 Fire

An overloaded electrical system caused damage estimated at \$10 to the building at the home of Lloyd Coad, 2057 Fourteenth street, at 11:30 a.m. Tuesday. Firemen were on the scene about 30 minutes.

MITCHELL CHURCH PLANS FOR CRUSADE MEETINGS

The First Baptist Church of Mitchell, 608 English place, will take part in a Good News Crusade Aug. 9-18, the pastor, Rev. Bill Belmar, has announced. The services are to be held nightly at 7:30 at the football stadium of Granite City high school. Services at the Mitchell church are to be dismissed Aug. 11 and 18, and on Wednesday, Aug. 14, in order that the members may attend the crusade. Transportation can be obtained by calling 931-2864 during the afternoon.

SHARE HONORS AT BIRTHDAY PARTY

Theron Vincent, father of Mrs. Jerry Chenevert, 2237 East 24th street, celebrated his 70th birthday this week and shared honors with his grandson, one-year-old Christopher Theron Chenevert, at a dinner party given at the Chenevert home Monday evening. Others present were Mrs. Vincent, Mr. and Mrs. Ralph Lickenbrock and children, Karen, Linda, Bobby and Ralph Jr., Rene Chenevert and the host and hostess.

MISS PATRICIA RANDALL, a daughter of Mr. and Mrs. Robert E. Randall, 2300 St. Clair avenue, whose engagement to Harry R. Ward is announced by her parents. The prospective bridegroom is a son of Mrs. John Kraynak and the late Harry Ward, and of John Kraynak, 2592 Waterman avenue.

Love Will Head Coolidge PTA

At a special meeting of the Coolidge junior high school PTA executive board Monday evening, Mrs. Vee Throne, unit president, announced her resignation and Martin Love, first vice-president, was named to fill the vacancy. The group met at the Throne home, 3213 Fehling road.

Mrs. Throne, who recently began a second term as president, reported to board members that she will shortly accompany her husband, Thomas Throne, to Germany, where he has been assigned for two years. He is a federal employee with the U. S. Army Mobility Equipment Command in St. Louis.

Love announced that the Coolidge PTA unit's first general meeting will be held at 8 p.m. Monday, Sept. 23, and an executive board session was scheduled for 8 p.m. Monday, Sept. 16, in the school library. A vice-president will be elected at the initial meeting, he said. The remainder of the evening was spent planning programs for the coming school year. James Dumont, newly-appointed Coolidge principal, was among those attending the special meeting.

Betrothal of Miss Randall

Just announced is the engagement of Miss Patricia Randall, a daughter of Mr. and Mrs. Robert E. Randall, 2300 St. Clair avenue, and Harry R. Ward, a son of Mr. and Mrs. John Kraynak, 2592 Waterman avenue.

The bride graduated this year from Granite City high school and is employed by Southwest Bell Telephone Co. in St. Louis.

Mr. Ward graduated from South Broward high school in Hollywood, Fla. He is an employee of McDonnell-Douglas Aircraft Co. in St. Louis.

Wedding plans have not yet been made.

'Opportunities' Dorcas Topic

On Tuesday evening the Dorcas class met in the parlors of the First Baptist Church, with Mrs. Imogene Claxton, vice-president, in charge in the absence of the president, Mrs. Sibyl Lowrance.

Mrs. Dena Kampschneider led in the opening prayer and Mrs. Iva Olive gave the lesson on "Opportunities for Service."

Cards were signed by the members present and sent to members who are ill.

Others attending who were served refreshments by Mrs. Florence Medcalfe and Mrs. Katie Bennoch were Mrs. Ellen Douglas, teacher, and Mrs. Dorothy Daigler.

The business meeting was closed with the Lord's Prayer repeated in unison.

Cards were signed by the members present and sent to members who are ill.

Others attending who were served refreshments by Mrs. Florence Medcalfe and Mrs. Katie Bennoch were Mrs. Ellen Douglas, teacher, and Mrs. Dorothy Daigler.

The business meeting was closed with the Lord's Prayer repeated in unison.

Cards were signed by the members present and sent to members who are ill.

Others attending who were served refreshments by Mrs. Florence Medcalfe and Mrs. Katie Bennoch were Mrs. Ellen Douglas, teacher, and Mrs. Dorothy Daigler.

The business meeting was closed with the Lord's Prayer repeated in unison.

Garden Club Visits Gallery

The Terrace Garden club met Wednesday afternoon at the Rose Bowl restaurant for a luncheon and monthly meeting. Mrs. Charles Hickman, president, reviewed coming events in the annual yearbook for the year 1968-69.

A pot luck luncheon is planned for Sept. 11 to be held in the home of Mrs. Cecil Miner, 46 Terrace lane.

Tentative plans were discussed for the members to tour Grant's Farm in October in lieu of their business meeting.

After the meeting and luncheon, those present visited the East Bank Art Gallery. Present were Mrs. Hickman, Mrs. Pablo Gonzalez, Mrs. Kiri Kirohoh, Mrs. Cecil Miner, Mrs. Victor Reznack and Mrs. Robert Ruppel.

DE MOLAY MOTHERS PLANS FALL EVENTS

The DeMolay Mothers club met Tuesday evening at the Masonic Temple.

Plans were made for a rummage sale in October, and to attend a meeting of the DeMolay Mothers Club in Wood River Sept. 9.

Refreshments were served by Mrs. Hazel Staggs, Mrs. Jerry Clay and Mrs. Eleanor Bacon to the DeMolay and the club members. They were assisted by a committee composed of Mrs. Hilda Few, Mrs. Betty Ebrecht, Mrs. Margaret Love, Mrs. Betty Ebrecht, Mrs. Marie Naeve, Mrs. Iris Watson, Mrs. Jean Hileman and Mrs. Jo Meyer.

After the show, the group went to Ruggen's for a late dinner. Each of the members was given materials to complete "ditty bags" to be sent to servicemen in Vietnam at Christmas.

Mrs. Bywater invited the club to meet in her home on Sept. 3 for the next monthly meeting.

Originals Club Attends Opera

The Originals club attended the St. Louis Opera to see "Showboat" on Tuesday evening in lieu of its monthly meeting.

Those attending were Mesdames Janet Kunick, Doris Bernaia, Jo Marie Bywater, Betty Corcoran, Faye Varady, Athalea Bug, Marlene Painter and guests, Mrs. Mary Lou Monroe and Miss Debbie Corcoran.

After the show, the group went to Ruggen's for a late dinner. Each of the members was given materials to complete "ditty bags" to be sent to servicemen in Vietnam at Christmas.

Mrs. Bywater invited the club to meet in her home on Sept. 3 for the next monthly meeting.

Granite City PRESS-RECORD Thurs., Aug. 8, 1968 Page 7

FLOYD PAINTER IS HONORED ON BIRTHDAY

Mrs. Floyd Painter, 527 Jefferson avenue, Venice, entertained guests at a party this week in honor of the 74th birthday of her husband.

Those attending were Mrs. Flossie Rollins of Carrolton, Ill., Mrs. Alma Hubbard of Alton, Mr. and Mrs. David Painter, Mr. and Mrs. Dick Lobitz and sons of Caseyville, William Long and Mrs. Virginia McDowell of St. Louis and Mrs. Mae Forsythe, Mr. and Mrs. Ora Anderson, Mrs. Mable McGee, Mrs. Naomi Boelling and Mr. and Mrs. William Chien-dorf Jr.

BLOCK PARTY IS PLANNED SUNDAY

The Social Activities Committee of the Arlington Heights Civic Association will sponsor its second annual block party this Sunday afternoon.

It will be held on the vacant lot at the corner of Shirwin and Carla drives and will start at 2 p.m. Mealtime will be at 5 p.m.

Those residents wishing to attend are being asked to bring food and beverages for their family, along with lawn chairs, outdoor games and anything else that might add to the enjoyment of the day.

Everyone in the Arlington Heights area is welcome and is being urged to make plans to attend.

MORE ABOUT Council

the mayor and other city officials. I'll have four representatives and my state men. Mr. LeMaster (Alton LeMaster, president of Police Union Local 1347) will have four men and his state and international representatives.

Too Many People
"After you bring in the pollution plant, street department laborers, city hall secretaries and chauffeurs, you tell me what it's going to be like trying to get anything accomplished." Hillman and LeMaster both requested separate negotiating sessions for discussion of the police and firemen wage demands, pointing out that the jobs of these two departments are related and are not similar to any other jobs in the city. Council members insisted, however, on a joint negotiating session. Alderman Samuel

Whitmer told the group that "the other unions haven't signed any agreement with the city, either."
Whitmer said separate negotiations with the police and firemen's unions would only result in other unions coming back later wanting the same terms given to them.
The council insisted, likewise, that the meeting be held in the city hall, despite arguments by union leaders that they wanted to negotiate "on neutral ground."

City Hall 'Neutral'
"The city council represents the 40,000 or more people of Granite City," Mayor Partney remarked. "The city hall is open to everyone. I don't think you can find more neutral ground than here."
Monday night's council session got underway with regular business and continued for two hours while the several hundred persons, more than half of them standing, waited in the audience.
At 10 p.m., Mayor Partney broke into a discussion of a speed limit ordinance and told the council:
"We have a lot of people here

tonight and they have been waiting. I think it's about time we got to the meat of this evening's meeting."
The mayor went on to say that a three-man negotiating committee had been appointed to handle wage negotiations with unions representing city employees, and that he had believed this committee was still operating "until a letter came in from this committee."

Committee Disbands
The letter to which he referred was submitted earlier in the meeting by Alderman R. E. Robertson, who with Alderman Clyde Boyd and Charles Moerlen made up the three-man committee that conducted the earlier negotiations with the fire and police unions and those representing other city employees.
In that letter, Robertson set out that the three-man committee had made a report to the council in the July 22 meeting and requested at that time that the contract issue be handled by the council as a whole.
"From the nature of your communication," Robertson said in referring to a letter from Partney to the committee, "it is apparent you are erroneously assuming the continued existence of this committee."
"Since the committee is no longer in existence, I am not in a position to comment on your request and suggest that the matter must be referred to the council as a whole."

Boyd Explains Stand
Alderman Boyd took the floor to explain his refusal to serve further on the three-man committee, emphasizing particularly that the committee and himself personally had been subjected to unfair criticism and untrue charges.

"We've been charged with trying to take away sick leave privileges. That is simply not true. Secondly, it has been charged in the Press-Record that we have refused to bargain in good faith. That is an extremely unfair charge."
"From the time this committee volunteered to work on this controversy, we have met at various times with representatives of eight different unions."
"It has been said that we refused to meet with Benedict. That is absolutely a lie. Who do we care who we meet with? We have been accused in the Press-Record of refusing to negotiate unless the picket line was removed. That also is untrue."

"I'm the same guy who came back from a vacation in 1963 to settle a wage issue in favor of the employees. I'm the same guy who in 1966 assisted these people in obtaining a longevity clause."
"I'm the same guy that is now being maligned for my part in trying to settle an issue

FALL SCOUT PLANNING. Scouters of the Unihav Boy Scout district enjoying a potluck dinner at their fall roundup Tuesday evening at Wilson Park.

in the best way it can be settled. I no longer want to serve on any individual committee." Boyd said later that his references to charges "in the Press-Record" did not mean the charges originated with the newspaper.

In referring to the newspaper, I meant only that the charges made by union leaders were contained in the newspaper. Before I signed the paper," Boyd said.

U. S. Mediator Speaks
On a motion by Alderman Richard Fry, the council asked Bernard O'Keefe, a federal mediator of the U. S. Conciliation Service at St. Louis who sat in on a meeting between city officials and union representatives Sunday, to express his views on points at issue.

O'Keefe, who pointed out that he does not customarily make such public appearances in labor conflicts, noted that last Sunday's meeting lasted for five hours and that it brought out three major points of contention.

"The unions are almost unanimously opposed to a 39-month contract as proposed by the city," O'Keefe said. "While they seem willing to take a 12-month contract if they must, they prefer one running 24 months."

"The second major conflict as I see it," the mediator continued, "is the spacing of salary raises offered by the city. The money offered by the city is spaced over six-month intervals but the employees feel they should get the money immediately."

Oppose Expiration Date
O'Keefe said the unions also are opposed to a July 31 contract expiration date. "They believe this puts them at a disadvantage because, by that

time, the city already has passed its budget and appropriation for the year. While this doesn't seem to be a major point, it is one of the union objections."

Benedict asked O'Keefe if he felt that the city demonstrated in Sunday's meeting that it had the authority to act on any decision that might have been made in the meeting. Before O'Keefe answered, Alderman Walter Noon asked O'Keefe if he believed the aldermen attending the session had adequately stated the city's side of the case.

"Well," O'Keefe said, "they got it first, but they ran out of gas."

By this, O'Keefe explained, he meant that the meeting began with ten aldermen present, but that they began drifting away one by one and when the meeting ended, only five aldermen were present.

City Raise Staggered
Sunday's meeting ended with requests by the police and firemen for the \$150 monthly raise they have been seeking, with \$100 of it immediately and \$50 next year. The council has proposed raises every six months in varying amounts that would total \$120 per month by 1970.

As O'Keefe completed his discussion, Alderman Gerald Parmley moved for a ten-minute recess to discuss the matter in caucus.

The recess was followed by the announcement of arrangements for tonight's recessed council session and the subsequent protests from union leaders.

The city's wage conflict involves primarily a dispute between the police and firemen unions over the total amount of increase offered by the city,

Enrollment of cubs, scouts and explorers during the fall was discussed, and a songfest and campfire program were held.

200 Scouters Develop Autumn Activity Plans

Approximately 200 scouters with their families attended the Unihav Mound City Boy Scout district fall roundup Tuesday night at Wilson Park.
At this special function, the entire program was devoted to scouting and fun, business and fellowship, beginning with a pot luck dinner.

It was explained later that the primary function of the roundup is the enrollment of new boy members in the scouting program during the rest of this year.

A highlight of the program was a campfire ceremony led by Dale Anders of the Belleville Boy Scout council. Several plays were performed by a "Unihav Actors' Guild."

Many songs were sung by the scouters, and Rollin Henn, a vice-president of the Cahokia Mound Council, gave a talk emphasizing how enriching a program scouts can have if adult scouters give of their time.

Roundup leaders were Bob Goodman, Cub Scout roundtable commissioner; Anders, campfire director; Mrs. Alice Wyatt, den mother of Pack Eight of the United Presbyterian Church; Wilbur Shelton, advisor of Post 12, sponsored by the Niedringhaus PTA; Tom Throne, Boy Scout roundtable commissioner; Mrs. Charles Shanks and Mrs. Arthur Shaw of the Women's Reserve; and Charles Shanks, scoutmaster of Troop 22.

As well as the city's proposal for staggering the increases over the next two years.

City officials say that regardless of the amount of increases sought, the city can allow no more than \$90,000 in wage boosts, a sum set up in the budget and appropriation adopted in the July 22 council session.

The \$90,000 must cover increases for all employees in all departments and would be insufficient to allow the increases sought by the police and firemen, the officials claim.

Girl Loses Purse, \$8
Robyn Robertson, 2014 State street, reported at 10:30 a.m. Wednesday that she had lost her purse containing \$8 and assorted papers near Nameoki and Johnson roads.

Shots Fired at Busload of Altar Society Members

Forty-six members and guests of the St. Elizabeth Altar Society attended the St. Louis Opera Tuesday evening to see "Showboat."

On the trip home, as they passed beneath the railroad overpass on Route 203 south of Madison, shots were fired at the windshield of the bus. Although there were two bullet holes in the glass, no one on the bus was injured.

Those attending were Mesdames Delores Polson, president of the Altar Society, and Arlene Naglich, Helen Schoemann, Jean Butakis, Dolores Schrenk, Marlene Pelek, Virginia Harnetiaux, Nancy Plante, Berdell Goeller, Marge Noth, Eleanor Kubiak, Frances Skubish, Ann Pare, Rose Tomlovic.

Mesdames Margaret Waller, Darlene Busch, Joyce Tossaint, Janet Wilmseyer, Rosalia Johannmeier, Lillian Turk, Kathryn Ponce, Carrie Kaula, Audrey Jaros, Mary Blankenship, Terry Gustleff, Betty Goldschmidt, Rose Schmitt, Mildred Kraus, Lorraine Forsy, Veronica Patrick, Teresa Evans, Marge Johns.

Misses Dorothy Hodebeck, Carolyn Goldschmidt, Sharon Clark, Beth Kubiak, Susan Ash, Joyce Noth, Pam Polson, Christine Schoemann, Cindy O'Fishery, Joy Gasparovic and Christine Naglich, Sister Ann Martha, Joan Blankenship and Rev. George Morelock.

Next monthly meeting of the Altar Society will be held on Aug. 27 in the school cafeteria.

East Alton Man, 21, Killed on Route 111

Gary Slaton, 21, East Alton, was killed when his auto, while passing other cars, collided head-on with another car driven by Edwin Sanders, 20, East St. Louis, at 4:20 p.m. Wednesday on Route 111, 3.2 miles north of the Chain of Rocks road.

The Sanders auto then sideswiped a third car driven by Kenneth Edwards, 27, Wood River, who had pulled onto the shoulder of the road.

Sanders and three other East St. Louisans were injured. Taken to Wood River Township Hospital were Sanders, Theresa Williams, 18, and Richard Dennis, 18, and to St. Mary's Hospital in East St. Louis, William Minder, 18. Edwards suffered minor injuries.

MORE ABOUT

Ranft Firm

It was bottled at the Ranft plant, but many people did not like the taste of the new drink. The Coca-Cola firm insisted that the local businessman put the "Coke" in the new-style bottle and the older Ranft refused to purchase the bottles for the beverage, telling the Coca-Cola people, "No, it won't sell." It is now the soft drink sales leader.

Ranft also commented that many local boys have been employed throughout the years at the bottling plant during summer months to help play their way through college. "For many years, these youths were always given top preference for extra summer work," he added.

Reason for Sale

The reason for selling the company "is just a matter of economics of the modern business world today," Ranft explained.

"At one time during the 1930s, there were 44 bottling plants located in the two-state metropolitan area. Today, there are just nine plants."

"We are one of the last so-called independent bottling plants around," he said. "We would like to thank our customers, friends and associates for their cooperation and help over the past 35 years of doing business in this area," Ranft said. In addition to operating the

Randall Atwood, 17, Dies in Truck Crash

Randall L. Atwood, 17, Alton, son of Mr. and Mrs. Donald Atwood, was fatally injured in a semi-truck crash at 11:10 p.m. Tuesday at St. Ann, Mo., when the vehicle in which he was riding went out of control and rolled down an embankment.

Born in Granite City, Feb. 27, 1951, he moved to the Alton area with his parents as an infant. He would have been a senior at Alton high school this fall. He was a member of the Edwards Street Assembly of God Church, the Marching 100 and Pep Band.

Beside his parents, he is survived by a brother, Terry Richard, at home; two sisters, Karen Sue and Laurie Ann, both at home; maternal grandmother, Mrs. Elmer Weiss of Alton; and paternal grandmother, Mrs. Helen Atwood of Granite City. A brother, Gary, preceded him in death.

Funeral services will be held at 1 p.m. Friday at the Edwards Street Assembly of God Church. Burial will follow in Sunset Hill Cemetery.

River Quality Standards Set

A resolution setting water quality standards for the Mississippi River common boundary between Illinois and Iowa was adopted by the Illinois Sanitary Water Board Tuesday in Springfield.

The criteria were established in connection with the Federal Water Quality Act of 1965.

They had been previously submitted to the U. S. Department of Interior and were conditionally approved pending negotiations with Missouri and Iowa. These states have set substantially similar standards for the Mississippi River where it is the common boundary with Illinois.

Dr. Franklin D. Yoder, board chairman, said, the criteria adopted are acceptable to the Department of the Interior. Clarence Klassen, technical secretary to the board, was authorized to file a copy of the Mississippi River water quality standards with the secretary of state's office.

Mother of Mrs. Jackson Dies at Scott Hospital

Mrs. Virginia M. Shuler, 46, of 13 South 13th street, Belleville, died at 5:30 p.m. Tuesday at Scott Air Force Base Hospital. Among the survivors is a daughter, Mrs. Barbara Jean Jackson of Granite City. Funeral services will be held Saturday in Belleville.

Cold Strip

grounds it would deprive area residents of use of the road.

Area of High Value The steel firm has not been actively pushing the exchange but regards it as a fair proposition because of the high value of potential plant sites which are to be reduced permanently in size by the sewer project.

As the argument expanded over the condemnation proposal, First Ward Alderman Charles Moerlein suggested that council members confer with representatives of the steel company to learn if the company would agree to keep August street open "until they need the land" if the council approved the exchange.

First Ward Alderman William Dallas, who has opposed the closing of August street, remarked that "I think, in view of recent developments, that Charlie (Moerlein) has a pretty good proposition there, but let's make sure. I want to see it in black and white."

We Have a Problem

Bartosiaik replied that "I brought this up because we are having a problem. We need these easements and we are going to have to do one of two things—Vacate August street and approve the property exchange, or file condemnation proceedings to get the easements."

Charges that "someone missed the boat in the first place" in not providing easements in the original planning of the sewer project were made by Sixth Ward Alderman Richard Fry, who added:

"Granite City Steel is always saying how much it does."

"For thing, they're sitting there with a \$5 million dollar plant (the blast furnace division in Nimeski township) outside the city limits. If they would put that on the Granite City tax books, it would really mean something."

Praise Steel Firm

Fry's remarks brought heated rebuttal from Second Ward Alderman Sam Whitmer and Fifth Ward Alderman Walter Nonn, who referred to Fry as a "comparatively new member of the council and doesn't know what Granite City Steel Co. really has done for this community."

Whitmer said Granite City Steel Co. "has done more good for this community than any other industrial plant around here, or all of them put together."

Nonn remarked, "If it wasn't for Granite City Steel Co., where would this city be? They pay \$2 million a year in taxes. The livelihood of a big part of Granite City comes from there. Granite City Steel Co. is the backbone of Granite City."

Bartosiaik's motion to initiate condemnation was defeated on a roll call vote, nine to seven. Voting against the proposal were Dallas, Moerlein, Boyd, Roy Poulos, Claude Green, Paul Rutledge, Gerald Parnley, R. E. Robertson and Ford Johnson.

Favoring condemnation were Bartosiaik, Whitmer, Nonn, Basarich, Fry, Earl Jarrett and Emerald Daves.

Three Enroute to GC Killed in Auto Crash

A former local couple and their 12-year-old daughter were killed about 10 a.m. Sunday in a head-on collision near Victorville, Calif., just two hours after leaving their home in North Hollywood to visit relatives in Granite City, it was learned here this week.

Carl Eugene Sims, his wife, Aletha (Meeks) Sims, and their daughter, Debra Sims, were injured fatally in a highway crash believed to have involved two other vehicles.

Complete details of the accident were unavailable. However, an uncle of Mrs. Sims, retired Granite City Chief of Detectives James K. Lowder, 580 Idaho street, said that a speeding car approaching the Sims vehicle careened off another auto halted in the opposite lane and into the path of the Sims auto.

The family had moved to California from this community 15 years ago. Mrs. Sims was employed at Lockheed Aircraft Corp.

Three grown children of Mrs. Sims, who also reside in the North Hollywood area, did not accompany them this summer on their annual vacation trip.

The family had made frequent trips to Granite City and, at the time of the accident, was enroute here to visit relatives and to pick up Mrs. Sims' mother, Mrs. Bessie Pryor of North Hollywood, who has been a house guest at the Lowder home for the past several weeks.

Mrs. Sims is survived by her mother, Mrs. Laverne Sims of Granite City.

Besides her mother, Mrs. Sims is survived by two sons, Larry Munson, 24, and David Munson, 18, and a daughter, Mrs. Pat Munson Collins, all of California; and two sisters, Mrs. Gerald (Betty) Pinkerton of Granite City and Mrs. Jo Dell Barton of North Hollywood.

Several local relatives departed by plane this week to attend the funeral services, which are scheduled for tomorrow at a San Fernando, Calif., mortuary. Burial will be in North Hollywood.

Venice Link

business with Mayor Lee and William Miller of St. Louis, said Mal has kept its rates as low as possible to attract business from Missouri. Alton's landfill rate is 50 cents per cubic yard.

The Mal rate is 15 cents lower than that recommended by the state, Abel said.

The landfill is located on land owned by the city of Madison near the Illinois approach to the Madison-owned Chain of Rocks Bridge, which is used extensively by Missouri hauliers for access to the dumping site.

As a return, Madison receives free dumping privileges and \$3000 per year.

An investigation of its operation by the Illinois attorney general's office was requested last week by Supervisor Roger Elbie of Wood River, who took a series of photographs of alleged violations of state and county landfill regulations.

Elbie sent to Gov. Samuel Shapiro the photographs and a description of violations which he said he witnessed at the landfill in a personal stakeout.

Elbie requested that the governor use his influence to bring about an investigation.

Jury to Investigate

State's Attorney Leon Scroggins has announced plans to call for evidence in an investigation of the landfill operations by the Madison county grand jury

during its current recall session at Edwardsville.

Mayor Lee said yesterday that he is in favor of such an investigation.

"If there have been any pay-offs or anything else illegal in connection with operation of the landfill, I want to know about it," Mayor Lee said.

The city of Venice will use Mal landfill only so long as it is forced to do so because the city incurs added expense in making the long trip to the Chouteau Island land dump, he said.

Study Joint Project

Tentative plans are being considered for a joint landfill site operated by Venice and Madison, but this will hinge upon acquisition of a prospective site of 110 acres, Mayor Lee said.

Venice also will make an effort to use the Granite City landfill when the Granite City site is changed from Mal, where Granite City now is dumping, to the area along Route 265 south of Madison.

That area has been closed because of a lack of dirt for covering trash, but is expected to be reopened as soon as the problem can be solved.

Operating on a per-load cost at any landfill is more expensive than disposing of trash and garbage under a flat fee arrangement, the mayor noted.

"Ace Sets the Pace" — Quality at Lower Prices

'Hobby Cars' Will Be Featured at Speedway

An added attraction has been slated for the Tri-City Speedway Friday evening as hobby cars will be racing for the first time this season. The race will begin at 7:30 and racing at 8:30. The supermodifieds will also be on hand—making it a double program.

George Welsh, the track director, said, "We have had several requests from fans to feature these cars, so we decided to give them a try."

Hobby cars are oldtime auto stripped of fenders and accessories and souped-up in their engine performance.

"There will be at least one

heat race and one 36-lap feature for the newcomers, depending on how many cars are on hand," Welsh said.

"It is uncertain which drivers will be at the speedway for the Friday races because there is another supermodified race that many of the drivers have entered in Indiana; they won't be coming here for our races."

"It is a championship race held solely on a car's time trials. Those who can't qualify for that race will be on hand here."

The speedway is located at 5100 Nameoki road.

Scholarship to West Wyoming For Mike White

Mike White, a six-foot, seventeen-year-old senior at Granite City high school basketball team, will attend Western Wyoming College in Rock Springs, Wyo., this fall on a full athletic scholarship. He is the son of Mr. and Mrs. Marvin Waggoner, 2723 Michigan avenue.

A June graduate of Granite City high school, White lettered his senior year. He played with the Warrior squad in both his junior and sophomore years and previously was a member of Coolidge junior high and Sacred Heart parochial school teams.

The 180-pound athlete was scouted here by Coach George Nelson of the Western Wyoming Spartans and received a letter of intent with the college during July, his parents said.

White, 17, missed the last ten games of the 1967-68 season after sustaining a shoulder injury in the East St. Louis contest. The player's final game as a Warrior was his most productive individual effort; he scored 17 points and had 14 rebounds.

At the time of the injury, White was averaging 7 1/2 points a contest and was the Warriors' top rebounder, with ten rebounds a game. Warrior Coach Don Detenring commented that the local youth was just beginning to develop to his potential when injured.

Mitchell All-Star Khoury Tournament

All Atom (ages 7-9), Bantam (10-11) and Midget (12-13) division boys' baseball league teams in the Quad-City area are being invited to participate in the first annual Mitchell all-star Khoury League tournament, Aug. 17-18 and Aug. 24-25.

All interested teams are to contact Richard Chambers at 931-0839.

Early Scoring Provides Margin for Custom Nine

Custom Engraving Trophies put together three hits for three runs in the first inning Monday evening at Worthen Park and downed American Legion 5-1 in the Class C Slow pitch softball league.

Ken Bolton, Mike Welsch and Clark Niepert singled in the opening frame. Welsch finished the game four-for-four at bat with three singles and a double, and Jim Worthen had three-for-three in a 15-hit barrage.

Winning pitcher Robin Cateon Enterprises downed the Raiders 13-5 as Gary Golden and Jim Davis homered in a 24-hit attack. The losers combined for 14 hits, including a single by Benny Johannpeter and two triples and a double by Bob Odum. Losing pitcher was

John Robbers.

Larry Wortham, the winning pitcher, had two singles and Leared twice and Gary Meza-ro hit two triples and a double for the victors.

Branding's Service beat Club Delmar 9-2 on a six-hitter pitched by Jim Black, who helped himself getting three hits. Don Rousseau also had three hits for the winners. Bob Wallace was the loser.

W.W. Confectionery pushed across three runs in the bottom of the seventh inning to down Fourth Street Tavern 6-5 as each team totaled 13 hits. John Davis and Jim Jones singled and came home on a triple by Mike Ivie, who scored the winning run on a sacrifice fly by Ben Pessel. The losing team made three errors to the victors' one.

PRESS-RECORD SPORTS

Local Inter-City Teams to Tangle

Granite City will have both of its Inter-City League baseball teams at home Sunday as Granite City Steel Credit Union and Mercer battle at Wilson Park starting at 2:30 p.m., with Mercer as the home club. Last Sunday, Mercer, lost first place in the Blue Division by losing to the East Alton Machine, who this week will be entertained by the third-place Pocahontas Braves.

Mercer finds itself in second place with a record of 8-5, with East Alton a half game ahead at 9-5. If Pocahontas (8-6)

Heavy Hitting in High School League

Kentucky Fried Chicken beat Lincoln Place 12-7 and B&E Planning Mill downed Morris Realty 15-4 Tuesday evening at Wilson Park in the High School Boys' slow pitch softball league sponsored by the Granite City park district.

Tom Rushing and Mark Rigby had three hits each for Kentucky Fried Chicken and Bruce Buttery became the winning pitcher.

Dan Richardson and Bobbie Galvin had two hits a piece for Lincoln place in its 12-hit attack. Tony Petrillo was the losing pitcher.

Mike McGovern was the winning pitcher for B&E, giving up 10 hits and getting two for himself. Don Rains, Steve Sturt and Roger Laws also had two hits. Jerry Thompson collected three hits, including a home run.

Roger Hoover, Jim McCart and Joe Lehn each had two hits for Morris Realty. The losing pitcher was Jim Fitzpatrick.

In a Women's League game, it was Mathews Chevrolet over Vaughn's Pharmacy 21-5 as the winners took off for 20 hits and made three errors. Betty Little had four hits for the winners and Vannie Peppers and Wanda Page each three hits. Betty McGee was the winning pitcher.

Newcomers Club Forms Bowling Loop

A new bowling league has been organized by the Newcomers Club. An organization meeting was held Wednesday morning and two officers were elected. They are Shirley Morrison, president, and Joan Hill, secretary.

First meeting of the league will be held Sept. 4.

beats East Alton and Mercer beats Credit Union (3-10). Mercer could regain the lead Sunday. Next will be a double-header with cellar-ranked Troy (2-11) the following Sunday.

East Alton has one more game against Troy and will finish the year against Maryville. Moltor Motors of Collinsville (13-2), which already has won the Red Division title, and the Polish-American War Veterans of East St. Louis (9-7) have a bye this Sunday.

The remaining game is between host Maryville (14-9) and Troy.

Boys' Baseball

Granite City Park League games are played at 6 p.m. Wilson Park, Madison, Ventes Khoury League at 6 p.m. Nameoki-Pontoon Little League at 6 p.m. Mitchell Khoury League at 8:30 p.m. at the athletic field. Game times apply to Monday through Friday; Saturday times will be indicated.

Bud Parks led the way for Tri-City, getting a home run and two doubles. Jack Hubbel was the winning pitcher and Norm Warnock took the loss.

Bud Parks was the winner for Dairly Masters and Carl Svoboda the loser at Harry Elsworth hit a triple and two doubles and Ron Scarborough three singles for the winners.

In the final game, Holiday Mobile Homes won on a forfeit from Abel's Auto Body.

Teams Enter Tourney
Granite City will be represented Saturday and Sunday in the Florissant Khoury League boys' baseball tournament by two Atom Division (7-9) teams, the Elks, who finished the year 11-2, and the Redbirds, 8-4.

Football Practice Will Begin in State Aug. 21

Football practice for members of the Illinois High School Association officially gets underway on Wednesday, Aug. 21. Some schools will issue equipment and arrange to have players take their required physical examinations at an earlier date, but under the rules of the association no school may organize its practice team before the second Wednesday preceding Labor Day.

Players must have engaged in a minimum of 90 minutes of actual field practice on each of 14 days preceding the first interschool game or scrimmage game on Wednesday, Aug. 21. School may play its opening game earlier than Friday, Sept. 13, this year.

The rules were adopted by members of the association for the protection of players and to promote equality in competition among schools.

This fall, approximately 525 high schools belonging to the IHSA will participate in football.

Keen Paces Cyclists Here, Defeats Nixon

Neel Keen won for the fourth straight night at Tri-City Speedway Tuesday evening, proving once again that he is the No. 1 motorcycle rider in this area.

The top cyclist in the nation, Gary Nixon, was on hand but finished third in the feature as a new challenger, Gene Romero of Los Angeles, Calif., placed second.

Keen also won the second semi-feature of the evening and was the fastest qualifier with a time of 15:52 seconds. Romero won the first semi-feature.

George Welsh, track director, said, "We should have some of the best riders in the country at the track for the remainder of this month, trying to pick up the points toward the points trophy awarded at the end of the U. S. racing season."

Pistol Tournament At Marshall Club

An 1800 pistol tournament sponsored by the John N. Marshall Gun Club is set for Saturday at the club grounds.

Fire relay will begin at 8 a.m. and awards, trophies, or cash prizes will be awarded. The skeet and rifle ranges are closed but trap shooting will be open during the match. Police officers are welcome to attend.

More information is available from Don Ballard, 877-5258, or Robert Carroll, chief range officer, 797-0471.

Seven-Run First Inning By Jacobsmeyer Squad

Jacobsmeyer's blasted off for seven runs in the first inning and went on to beat VFW 13-9 Monday evening at Wilson Park in the 35 and Over slow pitch softball league. Other scorers were Midtown Pharmacy over Coacilite 6-2 and Local 16 over Tony and Joe's 16-8.

In the first inning, Jacobsmeyer's had eight hits—singles by Von De Cruise, John Harris, John Palchett, Larry Burns, Walt Volkmar, Ollie Jacobsmeyer and Les Thompson, and a double by Paul Gabriel.

Bob Garland tripled for two runs for VFW and Al Have and Al Jansen each had three hits for the losers. The defeated

Ashal, Hamilos Win Girls' League Tilts

Ashal Inauguration beat Bert's Chuck Wagon 19-4 and Hamilos Facking downed Buoy Bee Truck Stop 17-8 last night in High School girls' league softball action at Wilson Park.

Ashal pounded out 20 hits, including three each by Marie Taylor and Linda Chapman. Facking North and Debbie Seebold hit home runs and totaled four hits. Marie Taylor was the winning pitcher and Janice Harding the loser. Janice Harding collected three hits.

Hamilos had 17 hits and made three errors. Two hits each were registered by Lanette Squires, Sandy Muby, Polly Glasick, Joanne Franklanoff and Louise Riderman.

Doreen Lakin was the winning pitcher and Mary Lehne the loser. Lakin had three hits and three of the losers' 16 hits.

B&E Planning Mill beat Kentucky Fried Chicken 9-3 in a High School Boys' league game. Gary Simpson hit two triples and two singles for the winners and Tim Wallace became the winning pitcher.

Dance Tonight Will Help Finance Trip By State Champions

Tonight at 8 o'clock the Granite City ice rink a dance will be held with the proceeds going to the Clark Vikings slowpitch softball state champions to aid in financing its regional tournament trip Aug. 16-18 to Sheboygan, Wis.

On hand for the dance will be the Mosberg Shotgun band. Tickets are \$1 and can be bought at the door or in advance from any member of the championship team. Any surplus funds will be used to help athletes in the park district program.

If the Vikings win the tournament then they will advance to the world tournament at Long Island, N. Y., Aug. 30-Sept. 2.

Players who will be going to Wisconsin are Tom Tindall, Gary Whitehead, Jim Rippey, Jim Rains, Don Rains, Larry Lilley, Dave Tindall, Jerry Barnett, Ken Fowler, Sonny Antoff, Jess Ybarra, Tony Root, Steve Moore, Glen DeGeare, John Jones and Manager Bill Jackson.

Ron Fisher, who has been playing on the team this season, is going into the service tomorrow.

Joseph Gorwoda Dies; Father of GC Resident

Joseph E. Gorwoda, 81, Caseyville, a resident of that community for 50 years and operator of the JoAnn Cafe in Caseyville, died at 12:30 p.m. Tuesday in his home. Funeral arrangements are incomplete.

Mr. Gorwoda, a native of Germany, is survived by his wife, Anna, one son and several grandchildren, including Mrs. Kay Acquaviva of Granite City.

Tri-City Wins 7-6 In Class B Game

Dairy Masters downed Abel's Auto Body 10-2 and Tri City Cue beat the 24ps 7-6 Tuesday evening in the Class B Slow Pitch softball league at Worthen Park. Union Starch won by forfeit from Holiday Mobile Home.

Tri-City pushed across the winning run in the top of the eighth when Jim O'Master singled and Kevin Colligan doubled.

Abel's scored the tying run in the sixth inning when Ray Romine singled and scored on a triple by John Sikora.

Winning pitcher was Norm Warnock and the loser was Carl Svoboda.

Dairy Masters pounded out 13 hits, including a home run by Jim Smith and two triples by Harry Ellsworth. Winning pitcher was Bud Parks and the loser John Allen.

Mrs. Bergrath Named Venice Town Assessor

Mrs. Elizabeth Bergrath, wife of the late Joseph Bergrath of Madison, was appointed by the Venice town board last night to succeed her late husband as acting assessor of Venice township.

The board also appointed John Bridick, a desk sergeant at Madison police headquarters, as a member of the board of auditors to fill a vacancy.

Mrs. Bergrath was sworn in as town collector immediately after the special town meeting by Thomas Foley, town clerk, who went to Mrs. Bergrath's home, 1739 Fourth street, for the purpose.

Mrs. Bergrath took over the duties of the office today. She had been serving as a clerk in the collector's office, along with Mrs. Jackie Leatherman.

Term Ends Next Year
The assessor term ends in December 1969, although the office is subject to election in township balloting next April.

Mrs. Bergrath's husband served as assessor of Venice township for 21 years. He died July 25.

Mrs. Bergrath is an active member of the Auxiliary of American Legion Post 307, Auxiliary of World War I Veterans Barracks 34, and Daughters of Union Veterans Tent 92.

Bridick is a former Madison alderman and a former employee on the Madison-owned Chain of Rocks Bridge. He also once served as police magistrate.

While Bridick replaces Louis Kraus as a member of the town board, he actually will serve out the unexpired term of Stanley Krakowick, who resigned from the board when he was elected as an alderman in Madison last year.

Kraus was appointed to fill the board vacancy at that time, but he resigned several weeks ago because of assignment to a new job. The terms of all town board members are open to election in the 1969 town balloting.

Other members of the town board are Larry Puett of Venice and Albert Topal of Madison, town auditors; Arthur "Cooper" Moore, township supervisor; and Foley.

Bill Authorizes New County Tax

A legislative measure under which Madison county can levy a county service occupation tax of three-quarters of 1% was among bills signed into law at Springfield by Gov. Samuel H. Shapiro.

The governor also signed bills that increase the service tax to 4.25% to the current eve of the retailers' occupation and general use taxes.

The measures are similar to provisions in a law ruled unconstitutional by the Supreme Court earlier this year which would have taxed certain occupations. The court held that by extending the sales occupation tax to four specific categories, the entire law was unconstitutional.

The county service occupation tax is intended to guarantee uniformity between a similar authorization granted municipalities by the legislature in its last regular session.

The governor also signed a bill amending the municipal code to provide protection by indemnity for policemen and their equipment damaged while suppressing mob action, riot or civil disturbance when operating on request outside their own jurisdiction.

Inquest Set Tonight

An inquest into the fatal shooting of Donald Corryell, 32, Madison, Sunday morning will be held at 7:30 p.m. today in Madison police headquarters, Corner Leonard Davis said today. He died of a bullet wound which members of his family said was self-inflicted during an argument between him and his wife in their home at 801 Lee street.

SECTIONAL SPORTS MEET WINNERS who will compete Aug. 22-24 in Illinois Junior Sports Jamboree finals at Sterling-Rock Falls, receive Jaycee emblazoned tee-shirts from Miss Granite City, Leetta Marrison, at Jaycee meeting last night. Front row, left to right, Mike Martinez, Kirk Champion, John Fulcher and Jerry Sedabres. Back row, from left, Richard Dawdy, Jaycee president, and Dale Williams, Miss Marrison, Rusty Mefford and Richard Domitrovich, Jaycee vice-president.

NEW JAYCEE MEMBERS Vernon Johnston (second from left) and David Moser receive membership kits from Richard Dawdy, Jaycee president, far left, and Bill McAmish, vice-president, far right, last night.

Jaycees Honor Young Athletes

Local winners in the 1968 sectional sports meet sponsored by Illinois Jaycees and the Illinois Youth Commission were guests last evening at Granite City Jaycees' regular business meeting. Twenty-five members attended.

The youthful athletes, who will compete for trophies and medals Aug. 22-24 at the Illinois Junior Sports Jamboree at Sterling-Rock Falls, Ill., were presented Jaycee—emblazoned tee shirts by Miss Granite City, Leetta Marrison, and were congratulated by Jaycee President Richard M. Dawdy.

Youngsters receiving the shirts included Jerry Sedabres, John Fulcher, Kirk Champion, Mike Martinez, Dale Williams and Rusty Mefford.

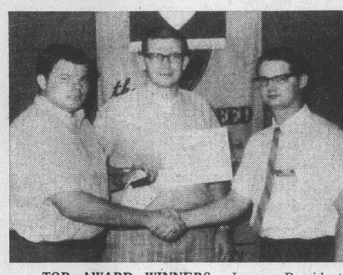

Also honored at the meeting were James Jeffries, immediate past president, who received the 1967-68 Blue Chip Award for outstanding contributions to the local chapter, and Dr. Robert Schmidt, who was presented the annual Ambassador Award, signifying liaison work with other Jaycee clubs.

National Jaycee Director Boyd Presley, a member of the Granite City chapter, announced a budget of \$17,000 will be submitted by the club to the state board of directors, together with a bid proposal to host the 1969 Junior Sports Jamboree in the local community.

The bid will be introduced at the state board's next meeting Oct. 5 in Belleville.

The local chapter sponsored a highly successful statewide meet in 1966, and state officials are believed to be receptive to repeating the jamboree here, it was learned. The contest would be planned for the first week in August, Presley said.

Planning continued for a visit here Aug. 31 by Illinois Jaycee President Ronald Rieck of Pekin which will be highlighted with a fish fry supper and dance. On the same date, local Jaycees will conduct a "straw vote" election throughout the community, with residents in-

TOP AWARD WINNERS. Jaycee President Richard Dawdy, right, congratulates James Jeffries, immediate past president and recipient of the chapter's "Blue Chip Award" for outstanding contributions, left, and Dr. Robert Schmidt, who received the "Ambassador Award."

Progress on Building Reviewed By Eagles

Members of Eagles Aerie 1126 assembled at the hall Wednesday evening for a semi-monthly business session with the president, Ronald Roderick, in charge. Reports were heard and an open discussion was held on the building and general remodeling in progress at the hall.

Roderick announced that a pot luck dinner for the Eagles and guests will be held Saturday, Aug. 24, at 7 p.m. Meat will be furnished and prepared by the Aerie, and wives and members of the auxiliary will bring covered dishes. The Eagles' kitchen band will provide entertainment for the evening.

Converse Receives Two Aquarium Club Awards

James Converse, 2576 Washington avenue, who operates a tropical fish and small pet shop here, was winner of two awards at the Metro-East Aquarium club in Belleville last night.

Third and fourth place honors for exhibits were for a high fin lyretail sword fish and an Albino high fin lyretail.

Hospital

hospital is following with interest the progress of regional medical program legislation in Congress. If passed, it could make part of the funds available at a reduced interest rate.

A breakdown of the current expansion fund total of \$1,131,564 shows \$458,850 from the hospital employees, staff, auxiliary and lay advisory board, \$589,650 from manufacturing firms, \$137,726 in private gifts, \$84,847 from businesses, \$32,460 from financial institutions, \$23,000 from utilities and \$5000 from foundations.

With part of the present hospital facilities to be vacated after completion of the new wing, an air-conditioned section of the vacated area is expected to be available to help handle patients during times of peak usage of the hospital.

Building Cost Trend
A hospital spokesman said factors considered in proceeding with the new wing at this time include realization that the building cost trend continues to be upward (36.6% in the past decade, with another 15% to 20% likely during the next several years).

Hospital officials are convinced that a decided need exists for the modernization and construction work. Some rate adjustments may be necessary to aid in making the expansion financially feasible, they believe.

Those conferring Tuesday included Architect Joseph D. Standish; Dr. Henry Guithues of St. Louis University, a financial consultant; and John Holbrook, representing the Rourke hospital consultants.

The affirmative action took place at a special meeting of the hospital governing board. Conferring earlier with the board were the Hospital Associates and the executive committee of the Lay Advisory Board.

Facilities scheduled to be moved into the new wing include the emergency room, central supply and storage, laundry, radiology department and physical therapy.

MORE ABOUT

Contact

mission, which is cooperating in the program to conduct a survey costing \$10,000 to \$12,000.

A meeting to discuss a proposed access road to Dow Chemical Co. from 12th and state streets was held by the mayor and representatives of the Illinois Commerce Commission last Friday and another was set yesterday to include the Manufacturers Association of the Tri-Cities, Tri-Cities Chamber of Commerce and Dow officials. Several railroads are involved.

Another request for traffic signals to eliminate hazardous conditions at Edwardsville road and McCambridge avenue has been denied by the state highway division, the mayor reported.

Create More Hazards
Robert Kronst, district highway engineer, said the signals would create more hazards through increased re-entrance collisions and that funds are not available. He said that recommendations for alteration of signs, "slippery when wet" signs and turn arrows have been met.

Supplemental resolutions appropriating additional motor and tax funds of \$2500 for sidewalk removal and replacement and of \$13,000 for curb and gutter removal and replacement were adopted and forwarded to the state highway division for approval.

An annual report by the firm of Hardesty & Hanover on the old Chain of Rocks Bridge showed that pavement at the Missouri approach is deteriorating and recommended that the canopy and traffic gates at the toll plaza be removed.

A request by the Navy Mothers to hold Sailor Boy Tag Days in Madison Sept. 26 and 27 was approved. Proceeds will be used for a Christmas gift program for servicemen.

UF Budget, Goal To Be Discussed

The third quarterly meeting of United Fund directors and agency delegates has been set for 4:30 p.m. Thursday, Aug. 22, at YMCA Clubroom Two.

The Admissions and Distribution Committee will present its report for action on tentative 1969 financial allocations and setting of the fall campaign goal.

Another request for traffic signals to eliminate hazardous conditions at Edwardsville road and McCambridge avenue has been denied by the state highway division, the mayor reported.

Set Up MFT Fund For Nameoki Rd. Crosswalk Lights

An appropriation of \$30,000 for installation of two pedestrian crosswalk lights along Nameoki road at Kirkpatrick homes, rejected in a previous meeting when proposed as a city budget item, was approved by the Granite City council Monday night when presented as a motor fuel tax project.

Motion to appropriate the money in motor fuel taxes was presented by Alderman Samuel Whitmer, who also sought to place the project in the city budget during the council's July 22 meeting.

The city indicated earlier that it will seek state and federal funds for the project, but decided to appropriate the needed amount as insurance the money will be on hand if it must come out of city funds.

To Erect Fence

During his first attempt to set up funds for the light project, Whitmer pointed out that the Granite City Housing Authority plans to erect a fence on housing project property along widened Nameoki road with two openings, one at Victory drive and the other at East 25th street.

The pedestrian signals would be located at these openings on the highway.

Alderman Edmund Bartosik proposed during discussion of the appropriation measure that the city confer first with state highway officials as a potential means of speeding up the project.

Venice Teacher Ends Summer Science Study

Ninety-seven science teachers selected from 20 states to attend eight-week National Science Foundation Summer Institutes for teachers of science have just completed the study at Murray State University, Murray, Ky. One is Calvin Butts, teacher at the Venice public schools.

Participants enrolled in two courses selected from the fields of biology, chemistry, earth science or physics, and excellent progress was made, according to the director, Dr. W. E. Blackburn, dean of the School of Arts and Sciences at Murray State.

In recognition of his interest in teaching science, Butts was selected from a large number of applicants to receive the training, which carried a stipend from the National Science Foundation. Purpose of the institutes is to assist teachers in providing subject matter necessary for effective and stimulating instruction, including recent advances in science.

Nationally known scientists gave lectures and demonstrations. Field trips, laboratory studies and experiments featuring the "do it" approach received emphasis in order to help the teacher interest his students and channel them into careers in science where the need is great and is becoming greater.

Tours included Reelfoot Lake, Land-Between-the-Lakes Recreation Area, the Calvert City industrial area and plants of the Tennessee Valley Authority.

Audio-visual aid materials such as movies, slides and film strips were viewed. Books from the Science Library and other sources were placed at the disposal of the participants.

Miss Myers is Shower Honoree

Miss Jenna Myers, a bride-to-be, was honored this week at a miscellaneous shower given by her sister, Mrs. Sharon Pile, and Mrs. Mary Surrency and Mrs. Julia Hall at the Lincoln Place Community Center.

Miss Myers is to be married Sept. 7 to Kerry Pomeroy. The ceremony will take place at Niedringhaus United Methodist Church.

Yellow and white, the wedding colors, were used in the appointments and a bride doll centered the gift table.

Assisting Miss Myers with her gifts were Mrs. Edna Myers and Miss Kathy Danner, both of whom are to be in the wedding party.

Others present to whom a buffet luncheon was served were Mrs. Jean Zimmermann, Mrs. Ruby Green, Mrs. Devine Graves, Mrs. June Nikonovich, Mrs. Pearl Guenther, Mrs. Erma Graves, Mrs. Maureen Graves and daughter, Christina, Miss Margaret Crawshaw, Mrs. Ethel Lerch, Mrs. Fern Hahn, Mrs. Edna Myers, Edith Rhodes, Mrs. Pauline Dawson, Mrs. Linda Tanksley, Mrs. Mary Groshong, Mrs. Diana Mendor, Mrs. Sheila Morgan, Mrs. Linda Morgan, Mrs. Judy Williams, Mrs. Mary Ebbingshaus, Mrs. Marie Nieve, Mrs. Ina Myers and Mrs. Kathryn Pomeroy, mothers of the bride-to-be and groom-to-be.

BRIDE-TO-BE, Miss Mary Patricia Lewis, who will be married to Michael Hill, a son of Mr. and Mrs. Joseph Hill of Bradley, Ill. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. Albert S. Lewis sr., 139 Briarwood lane. The wedding will take place in December.

Putnick-Pisel Vows Exchanged

Miss Theresa Marie Pisel, a daughter of Mr. and Mrs. Joseph Pisel of Lake drive, and Richard George Putnick, son of Mr. and Mrs. Stephen Putnick, 1549 Rodger avenue, were married Wednesday morning in an informal ceremony at St. Peter United Church of Christ.

Rev. Robert Baumann, pastor, officiated at the 10 o'clock ceremony.

The attendants were Miss Ruth Baumann and Larry Crews.

The bride wore a shift of yellow. Miss Baumann was in yellow linen. Both wore white rose corsages.

After a honeymoon at Tan-Tar-A in the Ozarks, the couple will live at 1549 Rodger avenue. The bride, a nurse, is employed at DePaul Hospital in St. Louis. Mr. Putnick also is employed in St. Louis.

VACATIONISTS RETURN FROM NORTHERN TRIP

Mr. and Mrs. Michael Kadane, 2947 Madison avenue, returned this week after a vacation of two weeks in Minnesota and Wisconsin. Part of the time was spent at Red Cedar Lodge in Pine River, Minn., with Mr. and Mrs. Mike Mega, 2646 Lincoln avenue, and the remainder of the vacation with their son and daughter-in-law, Mr. and Mrs. Robert Kadane and family in Eau Claire, Wis.

Places of interest visited en route were Alaska State Park and Paul Bunyan Park in Bemidji, Minn., and the Wisconsin Dells.

GOLDEN WEDDING, Mr. and Mrs. Edward Alford, Harrison, Ark., parents of Mrs. Bill Mihui, 2132 Iowa street, who observed their 50th wedding anniversary at a reception in their home this week attended by the Mihui family.

ATTEND GOLDEN WEDDING RECEPTION

Mr. and Mrs. Bill Mihui, 2132 Iowa street, with their son, Bill, and daughters, Barbara and Carolyn, and George Mihui have returned from Harrison, Ark., where they attended the golden wedding reception of Mrs. Mihui's parents, Mr. and Mrs. Edward Alford.

The affair was held at the Alford home on Route Six with approximately 40 relatives and friends attending.

Mr. and Mrs. Alford were married June 16, 1918, in Delmar, Ark., but the reception was postponed in order that their son, Sgt. James Alford, who was in Vietnam the past year, might attend. Mr. Alford is 81 and his wife is 73. They celebrate birthdays on the same day, March 23.

The couple has two other children and 11 grandchildren.

RETURNS TO SOUTH

Mrs. Nola Chenevert has returned to her home in New Orleans, La., after a fortnight's visit here with her son and daughter-in-law, Mr. and Mrs. Jerry Chenevert and family at 2237 East 24th street.

BOWLING INSTRUCTIONS FOR LADIES

FREE DURING AUGUST
Phone 931-4606 For Information

Mary Patricia Lewis Engaged

Mr. and Mrs. Albert S. Lewis sr., 139 Briarwood lane, have announced the engagement and coming marriage of their daughter, Miss Mary Patricia Lewis, to Michael Hill, a son of Mr. and Mrs. Joseph Hill of Bradley, Ill.

Miss Lewis and Mr. Hill are graduates of Illinois State Normal University, Normal. The bride-to-be is majoring in speech correction and her fiancé is an English major.

She will be a speech therapist in the Granite City school system this fall. A December wedding is planned.

Officer Wives Will Hold Tea

The Officers and Civilian Wives club of the Granite City Army Depot, held a business meeting and coffee hour for the month of August Wednesday morning in the La Granada Room of the Officers' Club.

Mrs. David V. Fox, president, presided at the business session and coffee and rolls were served by the hostesses of the month, Mrs. Alpha P. Moore and Mrs. Leonard Cuchin.

A short talk was given by Mrs. Charles Hoskin III, honorary president.

Plans were made for a membership tea on Sept. 4, which will take place the place of the regular coffee hour.

Mrs. Fox also announced that "waiting wives" of those in service are welcome to attend the meetings and social hour of the club at the Depot.

Others attending were Mesdames Fred Wright, Charles C. Chapman, Kenneth Kimball, Robert Sikes, Thomas A. Burns, Delbert Vance, Robert Blankenship, Lindberg Jones, Stephen Hayes, Thomas A. S. Thorne, Anthony Scrape, Lewis Rains, Arnold Buxton, Donald Cahill, Thomas Kerr, Vincent Passero, Charles N. Clark, J. Edwards, Charles T. Delano Jr. and guests Mesdames John Lawrence, Brian Ireland, William Myers and Naomi Dudley.

Shower Honors Patricia Wilson

A bridal shower was given Tuesday evening in honor of Miss Patricia Wilson, who will be married on Aug. 31 to Robert Fry at Hope Lutheran Church on Wabash avenue.

The shower was held in the Red Room of the Travelodge, and the hostesses, Mrs. Theresa Harris, Mrs. Patsy Busch and Mrs. Naomi Sanders, used a pink and white theme for their decorations.

Favors were small gold rings set in marshmallows on white lace doilies. The gift table held a bride doll and large wedding bell as centerpiece.

Several prizes were awarded to those winning games. Guests attending included Mrs. Doris Wilson, mother of the bride-elect, Mrs. Virginia Waters, mother of the prospective groom, Mesdames Elizabeth Suchak, Maria McMurray, Gail Baggett, Linda Smith, Mickey George, Jean Johnson, Carol Ketter, Connie Michael, Sharon and Becky Olson, Bobbie Sizemore, Helen James, Bettie Creath, Josephine Harris, Teresa Harris, Dorothy Messinger, Pat Burck, Naomi Sanders, Arela Lambert, Jane Jarman, Evelyn Arbeter, Linda Harris, Misses Sharon Suchak, Donna Bruder, Paula Weaver, Pat Morris and Diane Teator.

Shower Honors Judy Prewett

Miss Judy Prewett, who will be married later this month, was honor guest this week at a bridal shower given by Miss Betty Jean Bucatch, Mrs. Tillie Raski, Mrs. Helen Stimac and Mrs. Pat Urban at the American Legion hall in Granite City.

The color scheme of pink and white was in keeping with the colors to be used at the wedding Aug. 17 of Miss Prewett, a daughter of Mr. and Mrs. Harold Prewett, and James Bucatch, son of Mrs. Anna Bucatch and the late James Bucatch.

Bud vases holding pale pink roses centered the refreshment tables and small pink and white baskets filled with mints were used as favors.

A bride doll, encircled with a garland of rosebuds, served as central arrangement on the gift table and a wedding cake held the place of honor on the buffet table. A smorgasbord was served.

Assisting the bride-to-be in opening her gifts were the young women who are to be in the wedding party, Miss Joanne Prewett, maid of honor, and bridesmaids, Miss Gina Rydick, Miss Pat Heatherly, and Mrs. Janice Dunbar.

The afternoon was spent at games and prizes were awarded.

Others present were Mesdames Anna Bucatch, Louise Tegel, Pauline Mersinger, Paul Theresa Daigger, Mrs. Ann-rasa Danco, Irma Werth, Mayme Hunter, Helen Kuback, Mildred Urban of Highland, Pat Scherrille, Kathy Dohal, Gerry Mendez and daughter, Mary Schiller, Jessie Jones.

Mesdames Pauline Stephens, Elsie Brown, Teckla Missar-louis, Bertha Szedlar, Mary L. Toth, Agnes Butkovich, Josephine Kubela, Mrs. Schumacher, Rudy Stimac, Jeanne Rehmund, Elizabeth Rosack, Virginia Plesse, Sophia Green, Anna Dawdy, Jan Dunbar, Virginia Rudgitt, Toni Whitten, Virginia Rydick, Stephanie Rydick, Kathleen House, Ann Reedy, Tretter, Donna Daniels, Bonny Wallace.

The wedding of Miss Prewett and Mr. Bucatch will be solemnized at Niedringhaus United Methodist Church.

Business Session Of Eta Chapter

Mrs. Lois Hodge, newly-elected president of the Eta chapter of Phi Tau Omega sorority, presided at her initial business Monday evening at the Elks club. Eighteen members attended.

Miss Hilda Schroeder, chairman for the current fund-raising project, submitted a progress report. The club members are selling wristwatches to secure funds to carry on philanthropic work in this community.

After the meeting, games were played and prizes went to Mrs. Georgina Waggoner and Mrs. Mary Lou Richeson.

The next meeting on Aug. 20 will be their social gathering. Invitations will be sent to the members by the planning committee. Those serving on the committees include Mesdames Mary Evelyn Yenchon, Ann Tatam, Mary Lou Richeson, Barbara Barr and Evelyn Todd.

MRS. MOSBY HOSTESS TO ROLLETTES CLUB

Mrs. Phyllis Mosby was hostess to the Rollettes club Monday evening in her home, 2006 Ohio avenue, for a monthly gathering.

Those holding high scores in the games and winning prizes were Mrs. Connie Tinsley, the hostess and Mrs. Donna Mendoza.

Preceding the games, names of new secret pals were drawn for the coming year.

Mrs. Rheaetta Radfield will serve as hostess for the next meeting on September 9, in her home 2207 Elva avenue.

FAMILY PARTY HONORS VISITOR

A family party and reunion was held this week at the home of Mr. and Mrs. Sam Naglich Jr., 3144 Aubrey avenue, in honor of an out-of-town guest, Mrs. Mandy Hinchley, a sister of the former, who was here from Trenton, N. J.

Others present were Mr. and Mrs. Sam Naglich sr., Dan Naglich, Mr. and Mrs. Joe Naglich and sons, Gary and Dennis, Mr. and Mrs. Peter Hinchley and children, Susan, Nancy and Mike, Mrs. Gordon Alexander, Mr. and Mrs. Robert Toesmer and daughter, Diane, Mr. and Mrs. Norman Alexander and daughter, Susan, Mr. and Mrs. Nick Modrusic, Mrs. Mary Modrusic, Mrs. Katie Schimmer and Angie and Kathy Naglich.

BRIDEGROOM TO BE ASSIGNED TO VIETNAM

Announcement has just been made of the wedding of Miss Gail Desmond, a daughter of Mr. and Mrs. Forest Desmond of Rochester, N.Y., and Sp/4 Stanley Volner, a son of Mr. and Mrs. Bill Messenger, 2156 Cleveland blvd.

Rev. Dr. David B. Maxton performed the ceremony Aug. 2 and a small reception was held afterward at the home of the bridegroom. Attending the couple were Mr. and Mrs. Donald Alfaro, Jeffrey Weeks, a nephew of the groom, was ring-bearer.

The bridegroom, who is stationed at Fort Belvoir, Va., will leave this month for duty in Vietnam.

BOWLAND LANES

(Where Bowlers Prefer to Bowl)

ENGAGED. Miss Vonda Gail Cantrell, a bride-to-be. Her betrothal to Wesley E. Doolittle, a son of Mr. and Mrs. Lester Doolittle, 2181 Northland drive, is announced by her parents, Mrs. Janice Cantrell, St. George, Mo., and Gene N. Cantrell, St. Louis.

Vonda Cantrell To Be Married

Announcement has just been made of the engagement of Miss Vonda Gail Cantrell, a daughter of Mrs. Janice Cantrell, 10073 Bunker Hill drive, St. George, Mo., and Gene N. Cantrell, 5428 Nottingham avenue, St. Louis, to Wesley E. Doolittle, whose parents are Lester A. Doolittle, 2181 Northland drive, Granite City, and Mrs. Edgar Klebusch, Brentwood, Mo.

Miss Cantrell, a graduate of Southwest high school and International Data Processing Institute, is presently employed by the U. S. government.

Her fiancé graduated from the Granite City high school. He is employee of General Steel Industries. A fall wedding is planned.

Bowling Exercise Studied by Club

Mrs. Peggy Hackney, leader of the Tops Whittle by Whittle club, presided at a weekly meeting Monday evening at the American Legion hall.

She introduced the guest speaker, Dale Runge from the Tri-Mor bowling lanes. He spoke on bowling as an exercise and explained lessons that are available at the bowling lanes.

Named "queen for the week" was Mrs. Sandra Ray. The evening's prize went to Mrs. Elvira Sharp.

Attending were two guests, Miss Paula Martin and Miss Cindy Wagoner, and other members, Mesdames Jacqueline Af-feldt, Billie Bagl, Mary Jo Akenan, Janice Pazy, Nancy Bernaia, Rose Brombauer, Frances Coleman, Helen De-Runtz, Nina Eads, Christine Gspanner, Edna Harris, Jacquelyn King, Jacquelyn McGeehe, Dorothy Ashby, Norma Ruhl, Betty Robertson, Pat Wickman, Judy Webb, Doris Edwards, Vernie Von Nida, Villa Ridings and Janet Davis, Miss Mary Wetzel and Miss Judy Garrison.

Auxiliary Past Presidents Meet

The Past Presidents Parley of the American Legion Auxiliary held a meeting Monday evening at the Legion Post 113 hall, with Mildred Rees, president, in charge.

Vi Kassabaum, chaplain, led the group in prayer and the pledge to the flag.

The members were reminded of a joint installation of officers to be held Saturday, followed by a dance to which the public is invited.

After the business hour, the group held a social hour and celebrated the birthday of its president with a handkerchief shower and cards.

Winners of prizes in games were Mesdames Esther Harris, Ada Diabong, Hazel Odum, Alma Klaus, Edna Whaling, Loretta Goeller, Georgia Kramer, Ella McKittick, Rees, Lumeia Durbin, Ida Reading, Minnie Grob, Lucille Cooper, Dorothy McCain, Kassabaum, Steiner and Eureka Breckenridge.

Rose Metro was hostess for the evening.

400 Enrollment Seen In Business Program

Southern Illinois University-Southwestern expects more than 400 persons to enroll next fall in the program offering an associate in business degree, according to Emory R. Casstevens, assistant dean of technical and adult education.

Casstevens attributes this increased enrollment to an improved program and a new ruling by the university permitting all associate degree units to be applied to a four-year bachelor degree in business. Previously, only a major portion of the credits were transferable.

The three specializations offered are accounting, requiring 98 quarter-hours; industrial management, also rated at 98 hours; and secretarial studies, calling for 97 hours. Instructors for all three curricula, which are available both days and evenings, are drawn from the university's business division and general studies division. Persons interested in registering for the program should contact either the university admissions office or the Division of Technical and Adult Education. Advance registration is encouraged, Casstevens said.

Al Stevens III With Choir in South America

Albert Stevens III, son of Mr. and Mrs. Al Stevens Jr., 2437 State street, is with 26 boys from the Columbus Boychoir School, Princeton, N.J., touring South America.

Stevens, who is 13, graduated from the school in June of this year, completing his ninth grade. He will be enrolled at Granite City high school this fall.

The young singers arrived at Santiago, Chile, on Aug. 1 and the following day attended a press conference. After this they sang for President Eduardo Frei Montalva of Chile. At the close of the program, the president shook hands with all of the boys, asking their names and the states they represented.

Podner At Summer School in England

John E. Podner of Granite City is attending the summer school for graduate students at Fairleigh Dickinson University, English campus at Wroton College in England.

The summer sessions at Wroton are an overseas program of the graduate school of Fairleigh Dickinson, N.J., and credits earned there may be counted toward the university's master of arts in English degree. Podner holds a bachelor of arts degree from Illinois College.

Madison Rotarians Hear Past Governor

Ernest E. Tosovsky of Edwardsville, a past district governor, was guest speaker at a weekly meeting Wednesday of the Madison-Rotary club, held in the memorial center. Twenty-five members attended.

Founder and owner of one of the largest floral businesses and nurseries in southern Illinois, he has voluntarily visited South America to share his business and professional knowledge in order to improve the health, education or economy.

He has made several trips to

La Ceiba, Honduras, and has established an experimental agricultural station to demonstrate that trees and farm crops not now grown in that area can be usefully introduced. His talk reviewed his activities.

Music was furnished during the meeting by Jack Farrow, a folk singer and student at McKendree College. He was the guest of John Fornasewski, who made the introduction.

Will Radman, president, presided over a business meeting leading a discussion on plans to improve the memorial center grounds. With contributions from local residents and clubs,

Vandals Damage Auto

Vandals damaged the car of Charles Cullum, 616 Lincoln avenue, Venice, by pouring a can of garbage in the front seat and showering the contents of two boxes of soap powder throughout the car. Venice police were notified at 6:40 a.m. yesterday.

the work is to be done in recognition of servicemen who have served during the Vietnam war.

Single Housing Units Remain at Carbondale

Although campus housing facilities for single undergraduates at Southern Illinois University at Carbondale are filled for the fall quarter, there is ample university-approved housing in the area.

Samuel L. Rinella, coordinator of Housing Business Services, said current assignment of campus spaces for men and women students fills all university facilities for single undergraduates except in the Vocational Technical Institute residence hall for VTI students, 11 miles east of Carbondale, where some room remains, and in Small Group Housing and fraternities and a sororities, where the Greek organizations handle the filling of the buildings.

Rinella said on-campus housing applications are being referred to the Housing Information Center, which is sending applicants lists of approved off-campus houses and other information about living areas.

"Off-campus housing consists of multi-story dormitories and smaller units that have been accepted by SIU as living centers," Rinella said. "Most larger ones, with their own dining and recreation facilities, compare with campus residences."

He said persons desiring information about off-campus housing for unmarried undergraduates should write the Housing Information Center, Building C, Washington Square, Southern Illinois University, Carbondale, 62901, and they will receive prompt replies.

Married and graduate students can obtain information and listings by contacting the Office of Commuter, Married and Graduate Students, 508 S. Wall, Southern Illinois University, Carbondale.

This year the Carbondale campus added two 12-story campus dormitories that house 1832 students. Closed as a dormitory was Woody Hall, which housed 422 students. It is being converted into office space.

Marching Salukis Band To Begin Rehearsals

With two guest performances at professional football games ahead, the Marching Salukis of Southern Illinois University will start early to prepare for the season. Musicians will attend a week-long band camp Sept. 16-21, one week before school is to begin.

Nick Koenigstein, director of the Marching Salukis, says that the session will include playing and marching from 8 a.m. to perhaps 10 p.m. each day.

The band will appear at the St. Louis Cardinals game Oct. 20 and will be seen on nationwide TV coverage at the Green Bay Packers game December 7. The concept of style and marching used by the Salukis has made the band extremely popular with football crowds.

Independent, Socialist State Candidates File

Secretary of State Paul Powell announced Tuesday the final filings of independent candidates for places on Nov. 5 general election ballot.

Twenty-six filed as presidential electors but did not name a preference for either president or vice-president. They included Paul Russell Wigfield, Edwardsville, and Merrill Harmin, Route Five, Edwardsville.

Also filing was J. Archie Hargraves, Chicago for U. S. Senator.

A Socialist Labor party filing of 28 presidential electors, plus candidates for state offices and trustees of the University of Illinois, also occurred this week.

Elector candidates of the party include Richard H. Bushong of East St. Louis, Edward Gross, Chicago, is running for governor, Louis Fisher, Chicago, for U. S. senator and Henry Schilling, Belleville, for one of the university trustee positions.

Airport Program Major Topic of Governor's Meet

Illinois' bid for a second major airport in the Madison-St. Clair county area was a major topic discussed yesterday in an all-day Governor's Conference on business and economic development at Belleville. Local residents attended.

Approximately 40 municipal and county officials and businessmen from 11 counties in south-central and southwestern Illinois attended the affair, the third of a series of meetings being held around the state in an effort to "bring state government closer to the people" through local government officials.

Gene Graves, director of the Illinois Department of Business and Economic Development, told the group that Gov. Samuel Shapiro has ordered an all-out effort to obtain a major airport for the Illinois area of the St. Louis metropolitan region.

Graves and J. E. Wenzel, director of the Illinois Department of Aeronautics, were appointed by Gov. Shapiro to head the drive.

The Illinois legislature, Graves pointed out, has allocated \$50,000 to finance a study of potential airport sites. He said that state officials will meet soon with St. Louis Mayor A. J. C. Cervantes to request authority for extending the study throughout the entire metropolitan region to encompass both sides of the river.

All Day Meeting
Sam B. Eubank, assistant to Gov. Shapiro, presided at the session, which was held from 9 a.m. until 4 p.m. in Fischer's restaurant at Belleville.

Personnel of the Department of Business and Economic Development made presentations during the morning on tourism trends in Illinois, export activity in the state, technology and economic development and the proposed \$1 billion bond issue for pollution control and natural resource development.

Community and area planning were discussed in the afternoon by Eugene Moody, director of the East-West Gateway Coordinating Council, and Theodore Mikesell, executive director of the Southwestern Illinois Metropolitan Area Planning Commission.

The conference closed with discussions of industrial and community development. Earl E. Jukes, president of the Illinois Metro-East Industrial Development Commission, and personnel from the Department of Business and Economic Development led the discussions.

Graves met in a special session during the afternoon with area newsmen to discuss points of the airport program.

Officials from Madison, St. Clair, Bond, Calhoun, Clinton, Fayette, Jersey, Marion, Monroe, Montgomery and Randolph counties attended the program.

Advanced Training for Dr. Donald L. Coleman
Capt. Donald L. Coleman, son of Dr. Leo M. Coleman, 2315 Grand avenue, is one of the select military flight surgeons accepted for U. S. Air Force specialty training in aerospace medicine.

Dr. Coleman is now at Brooks Air Force Base, Texas, where he is entering the second phase of a three-year residency.

He recently received his master's degree in public health from the University of California at Los Angeles, as the initial step in the USAF program. The program offers recommended physicians in service an opportunity for advanced training and an American Board of Preventive Medicine certification in the specialty.

During his year-long training at the Air Force School of Aerospace Medicine at Brooks, Dr. Coleman will receive instruction in such subjects as body reactions to changes in acceleration and environments encountered in aircraft or space vehicles, medical care of air crews, procedures of flight medicine and military medicine.

Graduates will complete the third phase at an active flying base for experience in all major areas of the specialty.

The doctor, a graduate of Granite City high school, received a bachelor of science degree in 1966 from St. Louis University and his master's of science degree in 1962 at the University of Illinois College of Medicine. He is a member of Tau Kappa Epsilon and Phi Beta Pi.

Dr. Coleman's wife is the former Sue A. Young, his mother, Mrs. Charlotte Grandon, resides in Oakland, Calif.

Teachers Depart for New York Convention

Mrs. Robert W. (Valerie) Stevens and Mrs. Paul (Marguerite) Connelley, supervisors in the Madison school system, departed by plane early today for New York City, where they will participate in the biennial international convention of the Delta Kappa Gamma Society.

Mrs. Connelley, who is director of the Madison school system, is a student program, serves as president of the local Beta Eta chapter of Madison county. Mrs. Stevens, chapter publicity chairman, is employed as the vocal music supervisor in Madison.

The 10,000-member Delta Kappa Gamma Society is an international honorary organization for women educators. Its primary objective involves work and study programs, formulated to improve education.

The organization provides scholarship endowments to aid outstanding women educators and to encourage advanced study and complete the same.

A luncheon meeting today in the Americana Hotel, New York, 13 annual scholarships, amounting to \$2500 each, will be awarded for graduate study to American women educators.

Seven grants for the same amount will be presented to women from other countries to enable the latter to continue their education in the United States, Mrs. Stevens said.

Mrs. Clifton Utley, director of the Midwest Office of International Education in Chicago, also will represent Delta Kappa Gamma chapters within the state at the convention. The two local teachers and Mrs. Utley will serve as hostesses during an Illinois breakfast, Mrs. Stevens reported. The conference will conclude Sunday.

Approximately 45 teachers employed in the three local school districts are members of Delta Kappa Gamma.

Venice Technical Center Faculty Members Named

Seven new faculty members were added to the Venice-Link Technical Center staff Monday night by the Venice board of education, which approved hiring the additional personnel at a special budget meeting.

Teachers employed for the 1968-69 school year include Mrs. Annie Price to substitute teacher in the Venice schools last year who will instruct English in the General Education Department program; Al Delay of Greenville, with previous experience in the Panama, Panama Canal Zone and Panama, assigned to basic education.

James Russell, a teacher with six years' experience who for the past year has been working at the high school level at the Vincennes, Ind. Junior College, and will head the home maintenance and repair section at the local center; Miss Sheila Gorman of Nashville, Ill., one year's experience at New Lenox, Ill., who will teach accounting and business English.

Miss Mary Davlin, a registered nurse with a master's degree in guidance from Southern Illinois University, who will head an experimental "personnel services" program, including courses in child care, food preparation and care of invalids, through which students are trained for work in private homes where specialized care is needed. A former nurse at the U. S. Embassy in Burma, Mrs. Davlin also has experience in public health nursing in the Waterloo, Ill., area and at a tuberculosis sanatorium.

Mrs. Carol Murphy, Collinsville, six years' experience in the Belleville and Collinsville school districts, who was assigned to supervise a pilot year-around "Project Head Start" program for children of three years to school-age whose parents attend classes at the technical center. Approximately 40 youngsters are expected to be registered in the pre-school classes.

Mrs. Bridget Patricia Skeen of Bethalto, a registered nurse who holds a master's degree in guidance and has been employed for three years in a Manpower Development Training program for psychiatric aides conducted at Alton State Hospital and Alton senior high school. She was assigned as a guidance counselor.

In other action, board members authorized transfer of \$3500 to create a revolving fund and \$5000 from Title I funds to the working fund class.

Venice Supt. of Schools John O. Pier reported interior work in the Venice grade school addition is in its final stages and the new nine-classroom area will be ready for occupancy at the start of the fall term.

Four Hubcaps Stolen
Massey Morrison, 2118 East 25th street, reported at 7:40 a.m. today that four spinner hubcaps were stolen from his 1962 auto.

18 Criminal Cases Are Set For Jury Trials

Eighteen felony cases are scheduled to be heard at a special criminal jury trial setting to begin Aug. 19 in Madison county circuit court at Edwardsville.

The special session was called two weeks ago by Chief Circuit Judge Harold R. Clark after noting that more than 40 criminal cases are pending.

He said they would receive preference over other court matters and that all would be heard as soon as the office of the state's attorney and defense attorneys were ready for trial.

The backlog of cases is expected to increase when a recalled grand jury presents its report Aug. 16. Testimony on routine cases was expected to be completed today.

The grand jury was scheduled to hear testimony today in connection with alleged improprieties in landfill operations in the county.

Charges of failure to enforce county and state landfill laws were made several months ago by Robert Ford, assistant Wood River township supervisor, before a meeting of a joint legislative session in East St. Louis.

Rodger Elble, Wood River township supervisor, later complained to Gov. Shapiro about landfill operations.

Among cases docketed on the criminal setting are Dr. Jacob "Jack" Dayan, who has an office in Granite City, and assistants, Mr. and Mrs. George Turner of Wood River.

Dr. Dayan is charged in two counts of aiding and abetting persons without licenses to treat patients. The conference, Turner are charged with prescribing treatment for patients without being licensed.

Obituaries
BRADY, MRS. CHRISTINE A., 2138 Woodlawn avenue, Granite City, Entered into rest at 4:13 p.m. Tuesday, Aug. 6, 1968.

Mrs. Nellie Cross, 73, Dies; Former Resident

Mrs. Nellie Cross, 73, of Bixby Route, Salem, Mo., a former longtime resident here, died at 1:15 a.m. today in the Salem Nursing Home, where she had been a patient the past year.

Born in Salem, Mo., Mrs. Cross had resided in the local community more than 51 years prior to moving to Salem four years ago; when her husband retired. She had been employed almost 12 years as a waitress in several local restaurants and was a former Democratic committeewoman from Granite City Precinct Eight.

Mrs. Cross was a member of Second Baptist Church, where she served as a Sunday school teacher for many years.

Surviving are her husband, John L. Cross; one son, Dempsey L. Cross of Granite City; two daughters, Mrs. John (Minnie) Sigle and Mrs. Robert (Evelyn) Briggs, both of Granite City; two brothers, Archie Pace of Granite City and Louis Pace of Salem; four sisters, Martha Inskip and Mrs. Mabel Gray of Salem; 11 grandchildren and seven great-grandchildren.

Funeral arrangements are given in today's obituary column.

16 Are Hurt in 12 Auto Crashes

Twelve traffic accidents resulted in 16 injuries in the Quad-City area this week.

Paul Henry, eight, son of Mrs. Alene Henry, 587 Kirkpatrick Homes, was injured when he ran into the left front of a vehicle and was thrown backwards by the impact at the alley between 4300 and 4000 Ridgedale avenue at 7:40 p.m. Wednesday. The driver left the scene. There was no report of hospitalization.

Crash Injures Five
Five persons were injured in Madison at 5:50 p.m. Tuesday in a two-car collision at McCambridge avenue and Edwardsville road.

A car driven by Breen A. Bold, 30, of 3048 McKimberline, and one driven by Leslie A. Naffziger, 30, Sterling, Ill., collided at the intersection as Bold car, headed west on Edwardsville road, was making a left turn into McCambridge. The Naffziger car was headed north on McCambridge.

Both drivers were injured. Naffziger was treated at St. Elizabeth Hospital for a laceration on his forehead.

Five persons were injured in today's obituary column.

ation to the left forearm. Di- fani was charged with failure to yield the right-of-way.

Passengers in the Naffziger car who were taken to the hospital for treatment included Carol Naffziger, 35, who was given right knee and spinal x-rays; Lee Naffziger, eight, sutures to the upper lip and face and spinal x-rays; and Kathy Naffziger, 10, spinal x-rays.

Lee Naffziger was admitted to the hospital. The others were released after treatment.

Two Persons Injured
Johnnie E. Hamilton, 17, of 2265 Lee street, and a passenger in her auto, Regenia Kelly, 50, of 4121 Judith court, suffered minor injuries when it was struck in the left side by another car driven by Richard E. Smith, 2065 Cleveland blvd., at 9:58 p.m. Tuesday at 20th street and Peoria avenue.

Smith was charged with failure to yield the right-of-way with a traffic control present.

Two persons were injured when autos driven by Mrs. Vivian Starnes, 2801 West 22nd street, and Richard P. Difani, 28, Wright City, Mo., collided at 4:55 p.m. Tuesday at West 20th street and Illinois avenue.

Treated at St. Elizabeth Hospital were Linda Starnes, seven, of the West 22nd street address, who had struck the dashboard and received x-rays to the nose and skull, and Difani.

fani. Both were released. Di- fani was charged with failure to yield the right-of-way.

Three Treated Here
Carl Slagley, 18, Alton, and two companions were injured in an auto crash at 7 p.m. Monday on Route 157. They were treated at St. Elizabeth Hospital.

A car driven by an unidentified woman pulled off a side road into the path of her auto and stopped suddenly, causing his vehicle to hit the rear of her auto.

He received a laceration to his right temple and abrasions to the right knee and was transferred to St. Joseph's Hospital in Alton.

James William Hught, 18, and Robert L. Moody, 18, both of East Alton, passengers in the Slagley auto, were treated and released here. Hught received cuts to the forehead and right leg, and Moody sustained a cut to the chin and pains in the left wrist and elbow.

Injured in Madison
Edna Cannon, 19, of 1515a Second street, Madison, was treated at St. Elizabeth Hospital for injuries suffered at 6:50 p.m. yesterday in a two-car collision at Third street and McCambridge avenue in Madison. She was released after treatment.

Madison police reported a car driven by her collided with one

driven by George L. Yount, 2550 Buenger blvd. The Buenger car was headed south on Mc- Cambridge and the Cannon car was headed west on Third and crossing McCambridge.

Passenger Injured
Richard Wilson, 14, of 1424 Norwood drive, a passenger in an auto driven by Stephen Kraus, 4020 Melrose avenue, was injured when it was struck by another car driven by Cornie Hickman, 4837 Redwood lane, at 5:30 p.m. Tuesday at Maryville and Old Alton roads.

The youth was treated at St. Elizabeth Hospital for pains in the left shoulder, arm and chest and abrasions to the upper left arm and back. He was released to the care of his physician.

Orville L. Green, 39, of 3729 Ruth drive, complained of pains after the rear of his auto was struck by a car driven by Michael W. Dmytryk, Bend, at 4:40 p.m. Monday at Myrtle and Jill avenues. Green was attempting to make a left turn.

Admitted to Hospital
Robert T. McCormick, 3132 Aubrey avenue, was admitted to St. Elizabeth Hospital Monday after suffering a slight stroke. He was reported to be in good condition today. He is director of AFL-CIO Community Services.

Church Circle Plans Projects

Mrs. Lena Stephens, 215 Illinois avenue, was hostess Tuesday evening to a church circle of Second Baptist Church in her home. Mrs. Elsie Sturdivant presided over the business session after opening prayer by Mrs. Eugene Dutton and reports of committee chairmen were heard.

Feeding bibles for the Madison County Nursing Home were brought to the meeting and plans for participating in a "Christmas in August" church project were discussed.

Mrs. Eileen Phillips led prayer for missionaries having birthdays Tuesday, following the call to prayer and scripture read by Mrs. Mary Barnett.

The mission program, presided over by Mrs. Mary Barnett, was on "Brazil" and parts were given by Mrs. Louise Mitchell, Mrs. Phillips, Mrs. Naomi Roney, Mrs. Sturdivant and Mrs. Dorothy Barnes.

Others present included Mrs. Dena Watson, Mrs. Georgia Mitchell, Mrs. Florence Smith and Mrs. Goldie Smith and a guest, Mrs. Farrell.

Travel Theme at Sorority Party

Mrs. Ted Overbeck and Mrs. Charles Lexow were hostesses to Eta Alumnae chapter of the Phi Tau Omega sorority at a meeting last night in the home of Mrs. Lexow, 720 Old Alton road.

Theme of the party was "vacation" and all decorations and appointments were in keeping with the theme.

Prizes at bridge were won by Mrs. Edward Green, Mrs. Jon Tarpoft, Miss Irene Hayes, Mrs. Otto Hoelscher, Miss Celestine Lucas and Mrs. Henry Gabriel.

Others present were Mrs. Leo Grzesek, Mrs. Charles Jungels, Mrs. Charles Kuehn, a guest, Mrs. William Nelson of Chicago.

September hostesses to be Mrs. Russell LaRoe and Mrs. Grzesek.

Lynns Honored On Anniversary

Mr. and Mrs. Roy Lynn, 2050 State street, were guests of honor last night at a surprise celebration given by Lieut. Col. and Mrs. C. R. Mesnier, 2200 Waterford drive, Alton, Mo.

The occasion marked the 25th wedding anniversary of Mr. and Mrs. Lynn. Guests attending, besides the Lynns, were Mr. and Mrs. Cy Walton, Mr. and Mrs. Alfred Pape, Mr. and Mrs. Edmund Finer, Mrs. Viola Edwards, Mrs. Prussman and Misses Virginia Segar and Marguerite Barker of Granite City, and Supt. of schools Charles Mesnier, Jr. and Mrs. Mesnier, and grandsons Steve, Doug and Phil Mesnier, of Alton.

During the evening, surprise messages were received by the guests of honor from a sister, Mrs. Carroll E. Gray of Boston, Mass., and their son, William D. Lynn of Falls Church, Va.

DAV Unit Will Aid Servicemen

The DAV Auxiliary held a business meeting last night, with Commander Ruth Nunes presiding.

Prayer was offered by Chaplain Dorothy Best and ten boxes were packed for Vietnam servicemen. The boxes were the result of the cooperation of businessmen and others who donated the contents, and the result of a benefit dance held recently. Plans are being made to send more in the near future.

Members were reminded of the Egyptian District meeting to be held here Sept. 15. Next regular meeting of the auxiliary will take place Aug. 21.

TEA FOR VACATION BIBLE SCHOOL STAFF

The Women's Society of Christian Service of the Dewey Avenue United Methodist Church met last night at the church for a business session presided over by Mrs. Minnie King, president, a tea was given for workers in the vacation Bible school.

Special guests were Walter Harrison, Madona Shaw, Delia Harrison, Betty Keister, Mary Elmore, Linda McLean, Jean Hill, Pamela Keister, Betty Bliley, M. L. Greer, Freda Crawford, Sharon Lehman, Joan Tepfeler and Ella Lindner.

Mrs. Gladys Poitillo was in charge of the program, assisted by Fern San Jose, Violet Miller, Wilma Amosby, Shirley King and Alma Davis.

Refreshments were served to 30 mothers and their children.

Submits to Surgery

Granite City Detective Joseph J. Nemeth, 1881 Spring avenue, submitted to surgery Wednesday afternoon at St. Elizabeth Hospital following a checkup. A tumor was found.

20 Area Theft, Burglary Cases Being Probed

Burglary and theft reports to Granite City police law enforcement authorities totaled 20 this week.

Thieves took \$11.85 in cash in a burglary at Rome & Roy's tavern, it was reported at 5:25 a.m. Wednesday. A jukebox was pried open and a jukebox was pried on but not opened. The thieves left a pry bar at the scene.

Fish Shop Burglary

From \$15 to \$25 was taken from a cash register in a burglary at the Aqueduct Tropical Fish shop, 2576 Washington avenue, it was reported at 11:40 a.m. Wednesday. Entry was gained by breaking a side window.

An attempt was made to force the rear door of a home at 2818 East 24th street, but the intruders were awakened away by residents who heard them, it was reported at 10:40 p.m. Wednesday.

House Burglary

Mrs. Andrew Wiley, 2008 Washington avenue, reported at 10:10 a.m. Wednesday that a burglary of her home, valued at \$50, a television set valued at \$60, a high chair valued at \$10 and a coffee table valued at \$15 were stolen from a house at 1330 Edwardsville road.

An attempt was made to cut out a section of glass in the front door of Richard's Confectionery, 3008 East 23rd street, it was reported at 7:55 a.m. Wednesday. Deep cuts in the glass may have been made with a glass cutter. There was no entry.

\$65 Stolen

Nellie Alger, 2405 Anchorage avenue, reported at 10:10 a.m. Tuesday that the screen had been torn off a rear window of her home, with \$65 taken from her purse. An individual was seen running from the scene.

Check belonging to Oscar Burrell, 1016 College street, Venice, was stolen from his home, according to a report to Venice police at 6 p.m. yesterday. Police reported the front door glass was broken to gain entry. Amount of the check was not made known.

22 Caliber Gun Stolen

Thomas Keck, 221 Dewey avenue, reported at 12:10 a.m. Wednesday that a 22-caliber magnum gun was stolen from his home while it was parked in the West Granite area Sunday or Monday. It was valued at \$150.

Sylvia Schmidt, 2106 Kirkpatrick Homes, reported at 9:15 a.m. Tuesday that someone had stolen her purse containing \$5 and some change plus a laundry bag from her home the previous day.

Camping Equipment Stolen

A 10x12-foot green tent valued at \$130, two green sleeping bags valued at \$22 each, a 25-foot hose and controls for a gas stove were stolen from the garage at the home of James H. Brandon, 1713 Olive street on Monday, it was reported at 12:55 p.m. Wednesday.

The rear door of the vacant Shamrock apartments, 3205 Maryville road, was pried open, it was reported at 1:05 p.m. Wednesday. Pins were removed from the door and molding around glass in the door was removed. The building is used for storage of maintenance equipment by Schmidt-Moore Realty Co. of St. Louis.

Trailer Looted

Two sleeping bags valued at \$35 each, a set of acetylene torches and a set of hoses were stolen from a trailer parked in the garage at the home of James H. Brandon, 1713 Olive street, he reported at 9:35 p.m. Tuesday.

Tommy Jackson, 1343 Rhodes street, reported at 4:30 p.m. Monday that while he was in a shower room at American Steel Foundries, two personal checks in amounts of \$20 and \$10 were stolen. They were on his back count at the First Granite City National Bank to the Illinois Power Co. and Southwestern Bell Telephone Co.

DIAMONDS SPONSOR ANNUAL FASHION SHOW

The Diamonds' a woman's club of Dow Chemical Co. sponsored a successful fashion show Tuesday evening at the Lewis and Clark restaurant, East Alton, with 120 members and guests attending. The annual project is to secure funds for charity work for underprivileged children in this area.

Mrs. Alice Fenton served as general chairman. Pinned, corset and cake were served to those attending and prizes went to Charlotte Reimier, Ruth Hansen, Helen Galt, Margie Pea and Beverly Jones.

Beverly Jones provided a musical program as the piano and the narrator was Jerrie Wathen.

Adult models included Mesdames Betty Smalle, Kay Green, Winnie Newrick, Raine Harris, Marti Hankins, Donna Sturdivant, Dorothy Bauer and Miss Linda Gitch. Children models were Becky Price, Dawn Lamb, Karen Nemph, Phillip Hooper, Bradley Lock and Michael Ventress.

Four of the members who served as models displayed their original designs in "fashion" designs, using paper for one ensemble and the others in mod fabric and colors.

Three Become 'Million Dollar Job Counselors'

Mrs. Dorothy Berry, Mrs. Sylvia Thomas and Donald Green were individually presented with "million dollar certificates" for employment counselors at a dinner Tuesday. The certificates are given nationally to counselors who have over a period of years placed men and women whose starting salaries collectively amount to over one million dollars.

Mrs. Berry and Mrs. Thomas are with Snelling and Snelling Personnel in East St. Louis and Green is manager of the Snelling Personnel office in Clayton.

Return to California

Mrs. Margaret Oliver and her son, Jeffrey, eight, and daughter, Kelly Lynn, six, and Susan, four, returned by plane this week to their home in Pleasant Hills, Calif., after visiting her mother, Mrs. David Barzoff, 2130a Cleveland blvd. They were honored at a social event here during their visit.

Mrs. Margaret Oliver and her son, Jeffrey, eight, and daughter, Kelly Lynn, six, and Susan, four, returned by plane this week to their home in Pleasant Hills, Calif., after visiting her mother, Mrs. David Barzoff, 2130a Cleveland blvd. They were honored at a social event here during their visit.

Revised Fire Location

The July 18 fire which proved fatal to Thomas Dean Mundy Jr., 10, of 2240 State street occurred at the yard of Elmer Briggs, 2233 Grand avenue, rather than at an address listed in past articles, the boy's father advised the Press-Record this week. Mundy sr. said circumstances of the fire appear to be different than published reports and are the subject of a continuing investigation.

Obscene Words Written

Mrs. Robert Deforrest, 3012 Dale avenue, reported at 7 a.m. today that during the night someone wrote obscene words on the driveway at her home with orange-colored luminous paint.

Speeding Charge Filed

Roscar F. Miller, 1721 Walnut street, was ticketed on a speeding charge at 8:45 a.m. today as police operated a radar unit.

23 BAPTIST CHURCHES INVITE YOU TO ATTEND EACH NITE

GOOD NEWS CRUSADE

HEAR THE "GOOD NEWS" PREACHED

DR. RAY ROBERTS

EXECUTIVE SECRETARY,
OHIO BAPTISTS

Dr. Roberts is a nationally known Baptist leader, preacher, and evangelist. He preaches the Bible in such a manner that all can understand. The theme of his ministry and preaching is that the Gospel is the "Good News" for the people of our day. If you do not believe this to be true, you are especially invited to hear Dr. Roberts.

AUGUST 9-18
7:30 NITELY

**GRANITE CITY
HIGH SCHOOL
FOOTBALL STADIUM**

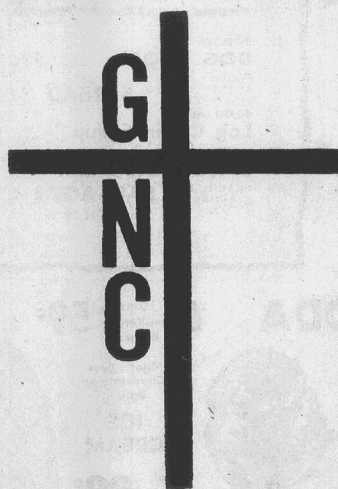

HEAR THE "GOOD NEWS" SUNG

STALNECKER-TYSON

EVANGELIST MUSICIANS
Featuring **BETTE STALNECKER**,
Religious Recording Artist

You have probably never heard the Gospel sung with the beauty and the feeling that Bette Stalnecker is able to achieve with her inspiring contralto voice. Accompanied on the organ and piano by David and Carol Tyson, Bette will sing each evening. Ed Stalnecker will lead the vast congregation in heart-felt singing of the old Gospel favorites.

AUGUST 9^{THRU} 18 7:30 NITELY

Increased Benefits Boost Social Security Checks in County to \$2½ Million Monthly

A record \$2,521,513 was paid out in Social Security cash benefits to 28,421 residents of Madison County for February, Ralph Brasher, East St. Louis, Illinois Social Security district manager, said today. This is an increase of \$400,130.00 compared to December 1967.

"February 1968 was the first month in which increased benefit rates provided by the 1967 amendments to the Social Security Act were payable," Brasher noted.

Nationally, the amount of monthly benefits exceeds \$2 billion, an increase of more than \$350 million above the December 1967 figure. More than 24 million men, women and children, or nearly one out of every eight Americans, are now receiving some type of monthly benefit.

About 18.4 million of those receiving benefits at the end of February were 62 or older. An additional 2.2 million were disabled workers under 62 and their young dependents.

About 3.4 million Social Se-

curity beneficiaries were young, widowed mothers and their children, the district manager said, noting that a total of about \$19 billion has been paid to orphaned children and their mothers since January 1940, when monthly survivors benefits first became payable.

In the past six years alone, benefit payments to this "younger group" have amounted to 1¼ times as much as the amount paid out in this category during the preceding 21 years.

Many younger people also receive benefits due to disability. More than \$2.2 million is being paid each month to disabled workers and their dependents—a rate that is 10½ higher than that of December 1967.

"Most of the changes in the 1967 Social Security amendments provided more protection for younger people," Brasher said. For instance, 175,000 children are now eligible for benefits based upon the earnings of a mother who has died or is entitled to disability or retirement benefits.

Previously, women needed to have worked for at least one year and a half of the last three years. That requirement has been removed.

Payments can now be made to the children of a woman worker who has died, become disabled or retired if she has enough work credits—earned at any time—to be "fully insured."

Another change made 100,000 younger persons—disabled workers and their dependents—eligible for benefits. The amount of Social Security work credits required for payment of benefits to workers who become totally disabled before they reach 31 years of age has been reduced substantially; for those below 24 years of age, to as little as a year and a half of coverage.

Some 65,000 widows, unable to work because of severe disability, were able to get monthly benefits as early as age 50. Dependent disabled widowers also became eligible for payments and, in some cases, so did divorced wives of deceased workers.

SCOUT FAIR OCT. 11-12 at the Granite City ice skating rink was the topic of a dinner meeting Monday night at the Army Depot. Seated, left to right, are William F. Winter, vice-chairman for promotion, sales and guests; Lt. Col. David Fox, Scout Fair chairman; Keith Tobey, vice-chairman for finance, safety and physical arrangements; and Irvin Slate Jr., vice-chairman for production, participation and

judging. Committee chairman standing, left to right, are Eugene Coe, Cahokia Mound Boy Scout Council executive; Roger Ward, health and safety; Fred Barr, ticket sales; Melvin Wilmsmeyer, finance; Ernest E. Veihl Jr., special guests; and George Eubanks, publicity. Not pictured are Ralph Fraga, supporting services; Robert Simons, judging and awards; and William F. Hoelscher, stage program.

\$109,000 Special Improvement Projects Scheduled in GC

A proposal that engineers be authorized to prepare plans and bid calls for \$109,460 in special improvement projects set up in the new Granite City budget was approved by city council members Monday night, but not until it encountered opposition because of the city's financial problems.

Aldermen also noted that the city has no regular city engineer and questioned what engineering firm would do the work. The city has been using the services of Research Planning & Design Associates, a St. Louis firm, on all projects that involve use of motor fuel tax funds, while other projects are handled by Edward Juneau, who has been appointed from month to month on a 30-day basis by Mayor Donald Partney.

Mayor Partney, who opposed the contract award to Milam, signed the check, an action that several aldermen said was "not only a surprise, but a shock."

The money? How are you going to pay an engineer? Robertson made no response and Fry put the questions again.

"I don't have to answer your questions," Robertson replied. "I just made a motion and am waiting action on it."

Alderman Paul Rutledge, who has been submitting financial matters to the council in the absence of any specific council finance committee, pointed out that the council passed the budget with the understanding that money for the special improvements would be transferred later from accounts with reserve funds.

The motion carried with Rutledge, Fry and Earl Jarrett voting against it. Alderman Sam Whitner declined to vote.

After the motion passed, Fry turned to the audience and saw several union representatives who had been present during earlier discussions of the police and firemen's wage problems. "I'm glad you're still here," he said to them. "I am glad

you could see this example of how the council spends money it doesn't have. Now perhaps you can understand why we don't have any more money for salary increases."

Were Cut Last Year
Special improvements and means of financing them have been a major issue for the past several years. Last year during preparation of the budget, \$175,000 worth of such projects were set up, but this later was trimmed to \$78,000.

This year's special improvement list for which detailed planning now will get underway includes the resurfacing of Washington avenue from 24th to 27th street at \$15,000 as the largest single project on the list. Two other projects are near that cost, however.

One is construction of 3220 feet of curb and gutter on Idaho avenue from Benton to St. Paul at a cost of \$14,900, and the other is curbing, guttering and resurfacing on Meridian street at an estimated cost of \$14,700. Improvement of East 25th

street and resurfacing of the 2400 and 2500 blocks of Grand avenue also are included at an estimated cost of \$10,000 each. A cost of \$8400 is estimated for curb and gutter work on Center street between 26th and 27th.

Curbs and gutter work for Moro street from Pontoon road to Ball also is on the list, estimated to cost \$8500. Other projects include improvements of 19th street from Cleveland blvd. to the railroad tracks, \$8000; resurfacing of 2100 block of Benton, \$2000; and curb and gutter installation for the 1600 block of Maple street, \$6500.

Other proposed improvements include Braden street from Pontoon road to the city limits, \$2210; sidewalk on west side Edgewood drive from Johnson road to Devon Hill lane, \$900; sidewalk on Franklin avenue from Benton to Frontenac, \$780; sidewalk south side of 26th street, Adams streets, \$800; and 100 feet of curb and gutter in 1600 block of Spring avenue, \$450.

Financial Management Small Business Course

The St. Louis Regional Office of the U. S. Government Small Business Administration is accepting applications for a financial and administrative management course to be held at the University City Adult Evening School Oct. 22 through Nov. 26, Tuesdays from 7:30 p.m. to 9:30 p.m.

The course is co-sponsored by the Chamber of Commerce of Metropolitan St. Louis, the St. Louis Chapter of the Missouri Society of CPAs and the University City Adult Education School.

The course is designed to help the small business owner, operator or manager to improve himself in his business operations—and for persons contemplating going into business. Subjects such as Record-keeping and Their Applications, How to Interpret Financial and Related Statements, Business Fundamentals and Elements of Proper Administration will be discussed.

The course fee is \$7. For registration blanks, a card may be sent to: Small Business Administration, 208 North Broadway, St. Louis, Mo. 63102.

Clean Air Board to Meet Here on Monday

Reconsideration of the emission reduction programs of American Steel Foundries and the Union Star & Refining Co. is scheduled on the agenda of the Granite City Air Pollution Control Board in a regular meeting next Monday, it was announced today by Henry Bieniecki, board chairman.

The board is to convene at 7:30 p.m. in the city hall and, among other items, will discuss plans for a public hearing on air pollution control measures expected to be held in September.

The agenda also will include a report on a red oxide discoloration problem in the Granite City area.

Milam Corp. Now Seeking Limit on 'Free Dumping'

A detailed interpretation of what does and does not constitute free dumping privileges under Granite City's new garbage disposal contract with Milam Corp. was requested of city council members Monday night.

Stan Lightner, a representative of the disposal firm, told the aldermen that the company's interpretation of the contract excluding dumping by commercial firms and limited to a regular list of claims that included \$16,159 payment to the disposal firm for its July operations.

While the council took no action Monday night on Lightner's request, several aldermen told him they had received complaints from small businessmen and individuals who they had been charged for dumping.

Lightner replied that some businesses using trucks have been bringing in loads of trash which he considered in excess of the contract terms for free disposal privileges.

Asked by one alderman as to the policy applied to use of pickup trucks in hauling trash and rubbish for disposal, Lightner suggested the problem might be solved by aldermen issuing cards to persons or business firms hauling trash in such quantity that it required a pickup or panel truck.

However, he said, "Operation of a landfill is an expensive one, and it could mean the difference of \$30,000 to \$40,000 on the contract."

"We cannot absorb the cost of commercial hauling on a free basis," Lightner told the council. "We are going to have to impose some kind of limitation and specification to what can be dumped under the free privilege of the contract."

While Mayor Donald Partney took no part in the discussion, he said later that it was his interpretation of the Milam

Corp. disposal contract that free dumping would be permissive of loads "up to a one-ton truck."

After Lightner requested council consideration of limitations on free dumping, the council held no further discussion of the subject and passed on to the next order of business.

Although no contract with Milam has been signed, the council Monday night approved a regular list of claims that included \$16,159 payment to the disposal firm for its July operations.

Mayor Partney, who opposed the contract award to Milam, signed the check, an action that several aldermen said was "not only a surprise, but a shock."

Steel Imports Still Setting New Records

Imports of steel mill products during the first six months of 1968 soared to a new high of 8,138,767 net tons, 56½% ahead of the 5,228,531 tons during the same period last year, the American Iron and Steel Institute reported this week on the basis of preliminary data released by the U. S. Department of Commerce.

Steel exports from the U. S. continued to decline. At 743,000 tons for January-June 1968, they were 24½% below the volume of 975,000 tons for the comparable six months in 1967. American foreign trade in steel mill products ran a deficit of 7.4 million tons in the first six months, compared with a deficit of 4.3 million tons for the first half of 1967.

In terms of value, the steel trade deficit was \$720 million in the first half. Imported steel mill products were valued at \$993 million, compared with \$183 million for exports.

Imports in June 1968 were valued at \$187 million, an increase of \$2½ over \$110 million in June 1967, and exports were valued at \$29.5 million, \$3 million below June 1967. The import deficit unadjusted for freight, insurance and government-financed exports was \$158 million.

Imports in June totaled 1,567,235 tons, 57½% above 992,524 tons in June 1967. The drop of 263,000 tons below the peak monthly tonnage of 1,789,798 tons in May 1968 was attributed in part to a strike of operating and maintenance workers on the St. Lawrence Seaway. Exports in June also declined to 119,646 tons, from 132,000 tons in May and from 121,816 tons in June 1967.

Hole Shot in Window

Arthur Lindner, 245 Jorden avenue, reported at 11 a.m. Tuesday that someone had shot a hole in the storm window of his home.

SINGING SEMINARIANS who will present Orthodox sacred music at 7 p.m. Sunday at the Nativity of Virgin Mary Orthodox Church, 416 Ewing avenue, Madison. Pictured (left to right) are

Concert Here Sunday By '68 Summer Octet

"The '68 Summer Octet" of St. Vladimir's Orthodox Theological Seminary, by special arrangement, will present a program of Orthodox sacred music Sunday, Aug. 11, at Nativity of Virgin Mary Orthodox Church, 416 Ewing avenue, Madison. Vespers will begin at 7 p.m., with Rev. Eugene Vansuch and Rev. Peter Stamboldjev officiating.

Purpose of the visit to Madison is to raise funds for the seminary while spreading good will throughout Orthodox churches in the U.S.

The eight seminarians are making a nationwide tour, singing the responses at various liturgical services, presenting concerts of sacred Orthodox music and traditional folk songs, and offering a short introduction to the seminary through a slide program.

St. Vladimir's Seminary is a

4 Agencies Cooperating in Conducting Group Therapy

(The following report on the adult day care center in operation each Monday at St. Mark's Church, Venice, was written by one of those on the professional staff.)

The center is operated with the joint cooperation of St. Elizabeth Hospital, the Illinois Department of Mental Health, Madison sub-zone, The Quad-Cities Mental Health Center and the Madison County Economic Opportunity Commission.)

By JEANNINE DUNCAN

The Tri-Cities Adult Day Care Center located at St. Mark's Church in Venice provides a pleasant and relaxed atmosphere for clients to enjoy a program which consists, in part, of crafts, such as ceramics and mosaics, and recreational activities, such as ping-pong, softball, checkers and employment.

There are also problem-solving discussions of a personal or family nature, educational films, and guest speakers who discuss such topics as home-making, cooking and employment.

The clients come to the center for different reasons. Some are to make new friendships, to gain employment

and/or for counseling of both a vocational and personal nature.

Or, they come when they need help with their problems or when they want to improve their present situations in some way.

Follow-Up Provided

A sound worker provides follow-up service for the clients.

Transportation for those in need of it is provided by several of the staff members and volunteer workers.

The staff consists of an activity therapist, two social workers, a psychologist, two community workers and several volunteer workers from the Quad-City area.

The professional staff members are employees of the Madison County subzone of the Illinois Department of Mental Health, the Quad-Cities Mental Health Center, the Madison County Economic Opportunity Commission and St. Elizabeth Hospital in Granite City.

Achievements Cited

The center staff feels that the program, which has been in operation for six weeks and has served approximately 20 persons during that time, has proven successful in that several clients have gotten jobs, including some of who had never worked.

It has provided a social atmosphere where a person can individually and in group sessions, discuss his problems and

By Press-Record Staff Photographer

GROUP DISCUSSION is an important element on the program for solving the emotional problems of 20 Quad-Cityans who gather each Monday at St. Mark's Church, Sixth street and Lincoln avenue, Venice. Sitting in on the talks are Sherman Sklar (left foreground), Madison county director of the Illinois Department of Mental Health, and staff members (left to right) Miss Barbara Van Wiggeren, Ken Juracek, Mrs. Jeannine Duncan, Mrs. Sandra Kolo and Sister Mary Pauline. Those with their backs to the camera are clients.

By Press-Record Staff Photographer

CREATIVITY IN ARTS AND CRAFTS is stressed as these clients and staff workers paste different colored vegetable seeds onto plywood to form the shape of a rooster. Those seated, from the left, around the table include staff members Bob Brown, Mrs. Sandra Kolo, Sister Mary Pauline, Sherman Sklar, Miss Barbara Van Wiggeren (standing), Ken Juracek and Charlie Townsend (far right). The activity helps take clients' minds off their personal problems.

Kiwanians to Meet With St. Louis Club

A monthly business meeting of the Granite City Kiwanis club was conducted Monday evening at the Rose Bowl, with Al Cross, vice president, presiding. Twenty-one members attended the dinner meeting.

Plans were announced for an inter-club meeting with the downtown St. Louis Kiwanis club in September. Final plans are to be announced at a later meeting.

William Seebold will provide the program for next week's meeting.

The members completed plans for attending a St. Louis Cardinals football game on Sept. 16 in St. Louis.

FRIDAY, 89¢ AT GRANT'S

\$222 Million By Steel Firms for Clean Air, Water

The iron and steel industry is putting more than \$222,000,000 on the line for facilities to provide cleaner air and water.

A survey by the American Iron and Steel Institute disclosed this week that steel companies have committed themselves to capital costs of that magnitude in the interest of improving the quality of the nation's environment.

Facilities to be placed in operation by 1968 or later, which expenditures have been authorized, include \$120,000,000 for cleaner water and \$102,000,000 for air controls.

67% Increase in 1967

The survey also disclosed that the industry's expenditures in 1967 for pollution control facilities were up 67% to \$94,100,000 from \$56,500,000 in the preceding year.

Outlays included \$54,700,000 spent for cleaner water (vs. \$18,800,000 in 1966) and \$39,400,000 for air pollution control (vs. \$37,700,000 in 1966). The figures do not include operating expenses, such as maintenance and power costs and operating labor costs.

From 1961 through 1967, the companies invested about \$600,000,000 to provide facilities to control pollution. With the addition of projects now under way and authorized, the total spent since 1961 will be over \$820,000,000.

34-Year Project

The iron and steel industry was one of the earliest entries into the struggle for cleaner air and water. American Iron and Steel Institute made its first pollution control research contract with Mellon Institute in 1938, and has had research projects at Harvard University and Battelle Memorial Institute since 1953.

As a result of the industry's heavy expenditures, it has a wide range of expensive facilities to upgrade water quality and to help free the air of smoke, dust and fumes.

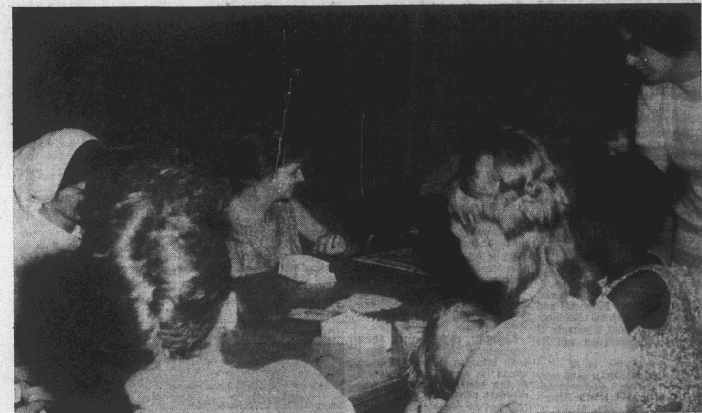

Eighty-three companies, accounting for nearly 98% of raw steel production, participated in the Institute survey.

Course on Synoptic Gospels During Fall

The Metropolitan College of St. Louis University and the Archdiocesan Council of the Laity will co-sponsor a course on the Synoptic Gospels during the university's 1968 fall semester.

The course, dealing with the gospels of St. Matthew, St. Mark and St. Luke, will probe the nature of the synoptic problem and the formation of the gospel literature from the oral traditions of the primitive Christian community. Dr. Irvin M. Arkin, associate professor of theology at the university, will direct the course.

The non-credit course will meet on Tuesdays, Sept. 17 through Dec. 3, from 7:30 to 9:30 p.m. Tuition is \$25. Additional information may be obtained from the Metropolitan College of St. Louis University, J.E. 5-3350, station 363.

By Press-Record Staff Photographer

QUIET GAME OF RACK-O is enjoyed by these adult day care center staff members and clients as part of their Monday session at St. Mark's Church in Venice. Seated at the left is Sister Mary Pauline of St. Elizabeth Hospital, and next is Mrs. Evelyn

Leeper, a volunteer worker. Miss Barbara Van Wiggeren, another staff member, is standing at right. Such games are part of a social period giving participants a sense of belonging.

McCarthy Backers to Join Nationwide Rally

Supporters of McCarthy for president in this area on Thursday night, Aug. 15, at the Kiel Opera House, St. Louis, will join other Americans in a national demonstration of popular support for the Democratic candidate.

The rally, featuring a 90-minute musical entertainment and political program, including many St. Louis artists and personalities, will be linked by closed-circuit television to a major address by Sen. Eugene McCarthy of Minnesota from Madison Square Garden, New York. Simultaneous rallies will be held in 40 other communities in the nation.

"We are staging this rally to give voters of this area an opportunity to serve notice on the Democratic political establishment that the great majority of citizens are opposed to a closed convention," Marvin Madsen, chairman of the Greater St. Louis McCarthy for President Committee, comments.

"In primary after primary and poll after poll, the people have shown that Senator McCarthy is the leading candidate for the nomination and is the Democratic candidate most likely to defeat any combination of Republican candidates."

The program will start at 7:30 p.m. Aug. 15. Following the entertainment, St. Louis will join the coast-to-coast hook-up to New York at 9 p.m. Political leaders and stage, TV and screen stars will participate in the country-wide demonstration, ending with the candidate's remarks.

Quad-City chairman is Britton K. Knight, 1333 Norwood drive.

Tickets for the Kiel rally, from \$1 in the balcony to \$25 in the boxes, are available while they last, at McCarthy Committee Headquarters, 772 Clayton road (VO 2-4420), and Goddard's Ticket Office, Arcade Building, 812 Olive street.

Proceeds of the tickets sales, beyond rental and printing

costs will be turned over to the national McCarthy fund.

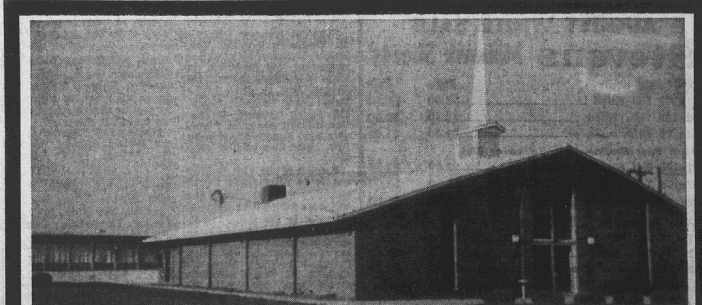

Paula Prentiss, star of the TV show "He and She," will be in St. Louis today for a series of appearances, including the opening of ticket sales for the rally at the Old Post Office, Ninth and Locust streets, St. Louis.

Gondola Car Contract

St. Louis Car Division, General Steel Industries, is the successful bidder on 100 all-purpose gondola cars for St. Louis-San Francisco Railway. The GSI plant in St. Louis will produce the cars early in 1969. The order totals in excess of one and one-quarter million dollar.

\$41,100 Repaid By City on HUD Planning Loan

Payment of \$41,100 on an \$88,000 planning loan obligation owed by the city to the U. S. Department of Housing and Urban Development since 1960 was approved by the Granite City council Monday night.

The amount was included in one of the largest claim lists submitted to the council in many months, totaling \$155,893. Partial payment on the loan, advanced by HUD eight years ago to aid the city in planning sewer improvements, was made in compliance with terms of an agreement under which the city was to refund the planning money to HUD when actual construction of sewer improvements was begun.

Mayor Partney explained that \$25,000 of the \$41,100 payment will be refunded to the city by H. W. Lochner & Co., sewer project engineers, while the city will pay the \$16,100 balance. The remainder of \$47,900 must be repaid later in installments as various phases of the sewer project are completed.

Pay on Sewer Work

The council in regular session Monday night also approved payment of \$53,713 to A. H. Seebold Co. for improvement of Johnson road, and approved claims of \$15,794 and \$13,229 for General Contracting Co. for construction work on the city's current sanitary sewer installations.

Payment of \$16,159 to Milam Corp. for July operations under the contract recently awarded, but still unsigned, also was approved.

"There was no discussion on the claim, although Mayor Partney has refused to sign the contract and council members claim they have no authority to sign it."

Payments of \$1186 and \$1331 to the Lochner engineering firm for engineering work on two separate sections of the sewer project during June was authorized by the council action.

Bills included \$1688 paid to East St. Louis & Interurban Water Co. for rental charges on 401 fire hydrants during July. Also approved was \$2495 payment to Jack D. Higgins for auditing services.

Alfred Bushong, 56, Ill for Month, Dies

Alfred Bushong, 56, of 2002 Fourth street, East Madison, died Monday at 8:05 p.m. at St. Elizabeth Hospital, where he had been a patient for three weeks. He had been ill one month.

Born in Centralia, he had lived locally for the past 40 years. He was employed as a watchman at the Nesco Steel Barrel Co.

Survivors are his wife, Mrs. Dorothy Bushong; three sons, Thomas Bushong of Granite City and Robert and Floyd Bushong, both of Madison; his mother, Mrs. Mamie Dufraim of Granite City; three brothers, Clifford Bushong, San Diego, Calif., Walter Bushong, Thayer, Mo., and Joe Buzar of Granite City; one sister, Mrs. William (Edith) McKinney, Dexter, Ky., and four grandchildren.

Funeral arrangements are given in the obituary column.

Notice to Bartenders Members of Local #102

Meetings will be held on Monday, August 12, at 10:30 A.M. and 8:00 P.M. at union headquarters at 1402 19TH St. To vote on new contract proposal, or possible strike vote. Please attend one of these meetings.

ANNUAL FIELD TRAINING. A 4.2 heavy mortar crew from Headquarters Company, Third Battalion, 130th Infantry, East St. range at Camp Ripley, Minn. Left to right are Sgt. Floyd P. Henke, Route One, Worden; Spec-4 Gregory J. Bedalov, Nor-

mandy, Mo.; Pfc. Glenn A. Cramer, Belleville; Spec-4 Rudy G. Sams, Collinsville; and Cpl. Ken J. Fowler, 2131 Illinois avenue. Capt. Louis Holoman Jr. of Belleville is commanding officer of the unit, which concludes its two-week training session Aug. 9.

Outdoor Baptist Evangelistic Services to Begin Friday

A summer evangelistic crusade will be conducted by the Madison County Baptist Association under the theme "Good News Crusade" at the Granite City high school stadium nightly at 7:30, beginning tomorrow and continuing through Aug. 18.

Rev. James Fearman, pastor of Calvary Baptist Church in Edwardsville, is serving as chairman and the featured speaker will be Dr. Ray Roberts.

Dr. Roberts is the executive secretary of the Ohio Baptist convention and is well known across the nation as a gifted and dynamic speaker.

The Stalmecker-Tyson evangelistic musical group will lead the music portion of the crusade with a 100-voice choir from the cooperating Baptist churches.

Mrs. Betty Stalmecker, a con-

trato, has sung in Westminster, London, to audiences of 15,000 persons. She earned her master's degree in voice from Louisiana State University and her husband, Ed Stalmecker, received a bachelor degree in music from the same university.

David and Carol Tyson, a husband and wife team, accompany the Stalmeckers on the organ and piano and travel with them across the nation.

The 23 co-operating churches will dismiss their Sunday evening services for the two Sunday evenings, so the crusade may have maximum support and attendance each night.

Rain Location

In the event of rain, services will be conducted in the new auditorium of Calvary Baptist Church, which can seat 700 people, with several hundred more seats available in over-

flow rooms. Chairmen of the committees are Rev. Rudolph Noel, pastor of West Twenty-Second street Baptist Church, parking; Rev. Ed Hamilton, First Baptist Church, visitation; Rev. Clifford Mosler, Grace Baptist Church, counselor; Rev. W. V. Snider, Calvary Baptist Church, entertainment.

Rev. James Doon, Meadow Heights Baptist Church, Collinsville, publicity; Marvin Cornett, Calvary Baptist Church, budget; Rev. W. J. Richardson, superintendent of Missions, prayers.

Rev. Eugene Phillips, Third Baptist Church, arrangements and grounds; Rev. Ralph Dolan, Pleasant Ridge Baptist Church, Collinsville, ushers; David Richardson, associate pastor of Third Baptist Church, music.

Mrs. Mary Crossen, WMU

Changes Lanes, Collides

In attempting to change lanes, an auto driven by John G. McLinn, Jerseyville, struck the left side of another driven by Patricia Slatery, 2241 Clark avenue, Monday as both were headed south on Nameoki road at Lindell blvd.

THE LION AND THE MOUSE, a fable by Aesop, is told in this puppet act for the enjoyment of Joel Kozikowski, 2339 Edwards street, held by his mother. The presentation was taped yesterday for the Corky's Colaroma television show at 11 a.m. Sunday, Aug. 11. Parents of the puppeteers also were interviewed on the show regarding techniques of creating puppets and the Puppeteers of America national meeting, Aug. 19-23 at Webster College, Webster Groves, Mo.

HOW PUPPETS ARE OPERATED is shown in this backstage view of young puppeteers Russell Avery (left), 12, and David Kozikowski, seven. Puppets and other paraphernalia are kept on the ledge and are utilized at appropriate times by placing them on the puppeteers' arms, which are extended through the curtain in the background.

RECORDING A PUPPET SHOW, members of two families use a variety of objects for sound effects as well as sharing acting duties. Pictured (left to right) are Mr. and Mrs. Richard Kozikowski with son, Joel, Russell Avery, David Kozikowski and Mrs. and Mrs. Donald Avery. A carrot is munched to represent a lion gnawing on a tree; shears are operated to sound like a mouse eating his way through a net imprisoning the lion. A music box provides a lullaby to indicate sleep.

EIU Takes Stand On Fraternities, Sororities

President Quincy Doudna today recommended that Eastern Illinois University publicly recognize de facto segregation in fraternities and sororities and that the organizations "take immediate steps to change the situation that exists." The organizations were asked to reaffirm they have no discriminatory clauses in either the local or national groups. If any such clauses exist, they must be removed, according to the recommendations. The alternatives are local autonomy in membership selection, or disaffiliation. Doudna also made public his recommendations about recruitment of black students. Suggested steps to be taken in these two fields complete a series of six recommendations made after policy issues were raised by students last May. The president asked that the

Hogue Completes Field Communications Course

Army Pvt. Arthur J. Hogue, 19, son of Mr. and Mrs. Arthur T. Hogue, 906 Grand avenue, Madison, has completed a field communications course at Ft. Leonard Wood. During the eight-week course, he was trained to string wire from the field to the communication center. Instruction also was given in basic electricity, switchboard installation and operation and pole climbing.

A system of one negative vote in preventing membership in a Greek organization be abolished if it now exists, and that a negative vote of 10% to 15% be substituted as "a more reasonable provision." He suggested that fraternities and sororities demonstrate "their good faith and good will" by inviting black students to rush activities and asking some of them to become pledges and members.

Shelton, Life Scout, Home from Jamboree

Fred Shelton, 15, son of Mr. and Mrs. Wilbur Shelton, 2435 Edison avenue, has returned from Great Britain, where he attended the 11th International Scottish Jamboree.

A Life scout, he is a member of Niedringhaus PTA Explorer Post 12 and was the only representative of the Cahokia Mound Boy Scout Council to attend the event. He will be a sophomore at Granite City high school.

He left here July 10 for London, where he had lunch at the Bader Powell house, named for the founder of scouting, and spent the weekend there camping in the international camp at Gilwell Park.

Sees Changing of Guard He toured London and visited St. Paul's Cathedral, Westminster Abbey, the Tower of London, Piccadilly Circus and the changing of the guard at Buckingham Palace.

Shelton took an overnight train trip to Blair Atholl, Perthshire, Scotland, where the Scottish Jamboree was held. About 600 boys camped on ancient castle grounds.

The castle dates back to the year 1269 and was occupied by earls and dukes of Atholl. It now is a museum.

Loch Lomond Voyage The local scout was a guest of a couple who attended the 1967 jamboree in Idaho. While in Glasgow, he took a steamship around the Loch Lomond and visited the art museum at Kelvingrove.

About 70 boys from the U. S. attended, including 40 from Region Seven, composed of the states of Illinois, Wisconsin, Michigan and Indiana.

Other nations represented were Nigeria, Denmark, Switzerland, France, Canada, Germany and England.

Ghetto Problems to be Discussed at SIU-SW

Discussion sessions on problems in the ghetto are to be held this year, with Negro leaders and metropolitan planners participating.

Southern Illinois University-Southwestern campus will conduct the program of idea exchange, under a grant from the federal government.

Alfred Kahn is project director. He is a research associate on SIU-SW's Public Administration and Metropolitan Affairs staff and an associate professor of earth sciences. Boone E. Hammend, assistant professor of sociology at SIU, is the assistant project director.

The primary planning agency involved will be the East-West Gateway Coordinating Council. This is a group of state, county and city officials from both sides of the Mississippi river.

The idea behind the discussions is to let professional planners and public officials and ghetto residents learn from each other. In addition, the talks will allow ghetto residents a chance to voice opinions in planning operations.

Both Illinois and Missouri residents will be involved. Six counties are earmarked for participation. Included are Madison, St. Clair and Monroe counties in Illinois and St. Louis, St. Charles and Jefferson counties in Missouri. This area includes the city of St. Louis.

The program will address itself to the areas of community planning and development, metropolitan and intergovernmental affairs and human relations planning and development. Leaders of the Negro community will meet with the planners to discuss the range of problems and corrective measures within the ghetto communities. Five seminars are planned.

AWARD WINNERS from the National School of Music who attended the 12th annual Mid-America Music Festival at Kansas City, Mo., are, left to right, front row, Allen Firebaugh, Larry Williamson, Diane Richardson, Larry Richardson and Beverly Stavelly; second row, Eric Schmisser, Pam James, Linda Novosel, Norman Stavelly and Eddy Belling; and back row, Mark Schmisser, Stanley Almon, Darrell Harbison, Marsha Vanduesen, George Sotiroff and David Raub. Absent for the photo were Vicki Guenther and David Smith.

18 GC Music Students Compete in Festival

Eighteen accordion, guitar and piano students at the National School of Music in Granite City attended the 12th annual Mid-America Music Festival last weekend at Kansas City, Mo.

The local contestants were under the supervision and direction of Mr. and Mrs. Burt Schmisser, David Roady, Miss Jenny Hood and Allen Bogovich.

Groups for discussion will break down to 20 persons, including 10 ghetto leaders and 10 metropolitan officials. Two hundred persons are expected to participate in the five sessions.

They won 13 superior and five second-place awards as more than 1500 contestants from 38 music schools participated. The local contestants were under the supervision and direction of Mr. and Mrs. Burt Schmisser, David Roady, Miss Jenny Hood and Allen Bogovich.

Youth Group to Tour Grant's Farm Aug. 14

The YMCA Youth Department will be taking a tour of Grant's Farm, St. Louis county, on Wednesday, Aug. 14. This is the last scheduled trip for the summer. Charles Hase, youth director, said today.

The youths will take a miniature train ride, and see wild animals roam the countryside.

Cost of the trip is \$1 for YMCA members and \$1.50 for non-members. Any parents wishing to make the trip with their children will pay \$1.75.

The bus will leave the "Y" at 11:30 a.m. and return at about 4:30 p.m. Participation is limited to the first 40 persons who register. Registrations are being taken in the Youth Department office.

Granite City PRESS-RECORD

SIU-SW Independence Declared in Sign Theft

Rivalry aimed at greater independence for the Southwestern campus of Southern Illinois University has taken a humorous twist with the "theft" of a sign from the Carbondale SIU campus.

A 2x3-foot sign reading "Office of the Chancellor" had been displayed on two poles on the lawn of Chancellor Robert McVier at Carbondale, but it

disappeared in front of the office of John S. Rendleman, chancellor of the local campus.

Identity of the heroic "Robin Hood" and his merchandising methods remains a secret, but nonetheless a delight to the local student body.

It replaced a smaller, 11x12-inch sign which formerly indicated the office of the SIU-SW chancellor. In the spirit of fair play, however, Rendleman has offered the Carbondale chancellor the return of his sign and has forwarded it with an accompanying memo:

"I am returning your sign. It got rained upon and shrunk." The SIU-SW Alestie, student newspaper, editorialized: "A sort of school spirit has descended upon our campus. The theft of the Carbondale chancellor's sign demonstrates that at least a few people care. We do not condone the actual crime, but the idea behind the theft deserves commendation." "We no longer feel that we belong to the Carbondale campus."

The Vocational-Technical Institute at Southern Illinois University offers a 49-week course in practical nursing.

Southern Illinois University sponsored an intensive learning camp for talented teenage musicians July 7-20.

Drivers in Crashes, Arrests to be Checked First in New Nine-Year Testing Program

Secretary of State Paul Powell this week reminded Illinois' licensed motor vehicle operators that beginning Jan. 1, 1969, the law requires that they be re-examined once every nine years in order to retain their driver licenses.

"Periodic re-examination of all drivers is one of the federal government's requirements, and failure to comply with it would result in the loss to Illinois of 10% of its allocation of federal funds for highway purposes," Powell said.

"But what is more important," he added, "is that periodic re-examination of drivers has long been advocated by traffic safety experts as an essential weapon in the battle to reduce the death toll on streets and highways."

As the program gets under way, one-ninth of the licensed drivers will be examined each year as their licenses are due

for renewal, so that all licensed drivers will have been examined by the end of the nine-year period, Secretary Powell explained.

The procedure will result in an increase of 825,000 examinations to be given each year over the present workload, he said.

It is possible that, as the program develops, it may be necessary to re-examine drivers at shorter intervals than nine years, Powell warned. The federal government has said re-examination should take place every four years, but added that progress toward that end would be acceptable at present. Experience gained by the various states and further consultation with federal officials may bring adjustments in the next few years.

The drivers being re-examined will be given the vision test, the road sign recognition test and the written test on traffic laws, and

some will also be required to take the driving test, Secretary Powell said.

The decision to require the driving test will be based on the driver's past record for revocation or suspension of his license, involvement in accidents and arrests for traffic law violations, plus other factors which may come to the examiner's attention in the course of giving the other tests, Powell said.

The first drivers to be re-examined will be those with records of previous revocations or suspensions, accident involvement or convictions for traffic law violations, Secretary Powell said.

Since those drivers are in the minority, he estimated that they would all be re-examined in three or four years. Drivers to be examined will be notified just prior to the renewal date of their licenses, Powell said.

STEELWORKERS AT INSTITUTE held at the University of Illinois, Urbana. Garman, U. of Illinois, and Burl Hand, 2524 East 28th street, of Local 67.

Harris Completes Duty Off Coast of Vietnam

Navy Signalman third-class Earl G. Harris, 23, son of Mrs. Mamie Harris, 722 Madison street, Madison, has returned to the U. S. following a six-month deployment off the coast of South Vietnam aboard the destroyer U.S.S. Herbert J. Thomas (DD-833).

As a crewmember of the Thomas, he helped act as rescue destroyer for numerous carriers, serve as anti-submarine warfare coordinator, anti-air early warning picket ship

and Naval gunfire support ship in the II and III Corps areas of South Vietnam.

While enroute to duty off the coast of South Vietnam, the Thomas was diverted to the Sea of Japan to augment U. S. Naval forces there following the seizure of the U.S.S. Pueblo Upon the ship's departure from Vietnam waters, the crew received a message from the commander of all destroyers and cruisers in the Pacific Fleet. The message cited the crew members for their achievements on the gulfline in Vietnam and their efforts in the Sea of Japan.

With Vietnam Hospital

Army Staff Sgt. William H. Elspersman, 25, son of Mr. and Mrs. William H. Elspersman, Route One, Sikeston, Mo., has been assigned as registrar of the 49th Surgical Hospital near Tay Ninh, Vietnam. His wife, Betty, lives at 2621 Washington avenue, Granite City.

4 SHIRTS FOR \$1.00

(Who would have guessed?)

We at Bellemore Cleaners think of ourselves as quietly dedicated to the business of cleaning and laundry. Yet, when we announced our price of 4 shirts for \$1.00, we started something of an uproar. Our competitors accused us of malicious price-cutting. The government chided us. (Why, we're not sure.) The banks in Geneva declared a holiday. And the NYSE closed. (We made our announcement after 3 p.m.) We realize that actually lowering prices is a little unusual, but we invite you to take advantage just the same. Four shirts, one dollar.

WE CAN!

BELLEMORE SHOPPING CENTER

\$11,422 in Town Bills Approved

Sitting as it customarily does as the town board, the Granite City council Monday night approved township bills totaling \$11,422 for July and approved a report by Supervisor Nelson Hagnauer listing balances in the town fund and general assistance fund.

Bills of \$3450 payable out of the town fund and claims of \$7972 to be paid out of the general assistance fund were approved.

Hagnauer's report showed the township during July received its first distribution of 1967 taxes amounting to \$31,031 for the general assistance fund and \$49,246 for the town fund.

After payment of July expenses, the report said, the general assistance fund had an Aug. 1 balance of \$83,842 and the town fund a balance of \$29,083.

The township's Municipal Retirement Fund had a balance of \$5182 as of July 31, Hagnauer reported.

Bills paid out of the general assistance fund in July included \$3182 in food orders and \$2240 for hospitalization costs. Salary payments to caseworkers and clerks amounted to \$805 and rent payments for clients totaled \$189.

Expenses out of the town fund included salary and expenses of \$227 to Hagnauer as township supervisor, and \$520 to town assessor James Barton. Salaries for clerks amounted to \$857 while payments to deputy assessors totaled \$960.

Town fund bills also included \$320 in per diem fees for the 16 members of the council.

Four Hubcaps Stolen

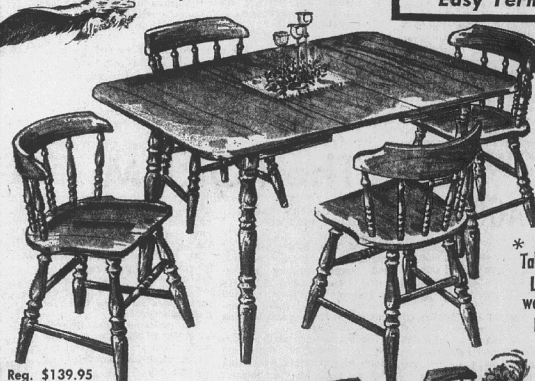

James Arnold, 2014 Marshall avenue, reported Monday that four spinner hubcaps were stolen from his 1966 auto while it was parked the day before at 16th street and Madison avenue.

Most of Isaac Bashevis Singer's work is devoted to the exploration of a phenomenon, part myth and part reality, that one might call, for lack of a better name, "the Jewish experience."

A composite of intellectual, spiritual and historical forces, strongly punctuated by a peculiar sense of destiny and overlaid with a belief in the inevitability of suffering, this so-called "Jewish experience" of which Singer writes has a fatal quality about it.

Regardless of the time in which his stories are set, we are unable to forget it, nor will we allow us, that the day of judgment for the Jewish people is at hand and that their Messiah would take them, by filthy cattle cars, to a macabre promised land.

If Singer's work is strongly apocalyptic, the Nazi Armageddon was merely this final dramatic moment in a process that began with the Diaspora.

The plight of the Jew in exile is the plight of the outsider.

If the Jew is to retain his identity, he must remain apart. If he seeks integration, he plants the seeds of his own destruction.

"The Manor" is the most recent of Singer's novels to be translated from the original Yiddish and it, like the earlier "The Family Moskat," records the disintegration of a family of Polish Jews as its members begin to slip from the fold.

Written between 1933 and 1935, the novel is about Calman Jacoby and his children and the struggle that each makes to accept or resist assimilation.

Calman himself, though pious enough, is guilty of various infirmary against the Law of his fathers. His acquisitiveness and his lust as well as his brute vigor make the asceticism of the devout Hasidim alien to his nature.

His energies thrust him out into the world of the Gentile even while wearing the garb and earlocks that marked him as a Jew.

Pulled in various directions, Calman's own backsliding is reflected and amplified in the experiences of his children.

The manner in which each of Calman's four daughters and their husbands succeed or fail in reconciling themselves, as

Jews, with the world outside the shtetl (the Jewish village) provides the substance for the novel's development.

This plan of development, however, proves to be a major weakness in the novel, for it creates too much the impression of a schematized view of the world.

Each of the characters represents a specific point on an imaginary continuum from total commitment to the values of Hasidism (absolute orthodoxy) to apostasy.

Jochanan is the saintly ascetic; Alter, the worldly rabbi; Clara, the sensualist; Ezriel, the skeptic; Miriam Lieba, the wife of a Christian; Wallenberg, a convert to Catholicism.

Although Singer is a skillful storyteller, he is not able to overcome the woodenness of the structure which he imposes upon his tale.

Despite his feelings of nostalgia for the life of the shtetl, Singer's main sympathies lie toward the modern world, though not with marked success, the rational course.

If any character in the novel is the hero, it is Ezriel, who allows himself to be wooed away from Judaism by the siren song of logic and science.

Reminiscent of Asa Heshel Bannet, the hero of "The Family Moskat," Ezriel rejects the superstitions and myths of his fathers and tries to discover the meaning of life in the plans the seeds of his own destruction.

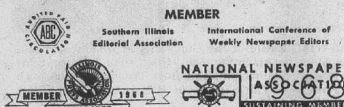

In Singer's view, the problem must involve some kind of positive choice: to be a Jew or to be a European; to be a Jew or a scientist; to be a Jew or a revolutionary. To be both is to be neither.

Madison, Venice Making Urban Renewal Study; Granite City Still Marking Time

Madison and Venice municipal officials plan to invest \$10,000 in a feasibility study of a joint housing program in which substandard homes would be replaced by construction and sale of individual homes, built in groups of five, ten or 20 at a time. They propose to utilize the urban renewal process, taking advantage of its good points while avoiding the renewal pitfalls encountered in some communities.

There is much to be said for such an approach, and it is particularly noteworthy in Granite City where a vital renewal project is pigeonholed, ready for forwarding to the federal government but lacking a final affirmative council vote despite earlier favorable aldermanic action.

In the case of Venice and Madison, city officials see a need for upgrading of residential living conditions.

In the case of Granite City, the need centers not essentially on housing but on space for parking and commercial development in and near the downtown area. Due to credits which have been earned but which are gradually expiring, the bulk of the cost for such redevelopment must be obtained from Uncle Sam, if prompt council action is taken.

What makes the renewal procedure essential in Granite City is that it appears to be the only way adequate land can be acquired to make the prospect sufficiently attractive to possible developers.

A survey of Granite City central business district firms, pinpointing why they at present do not plan improvements or expansions — shows that most probably would change their minds if there were fewer limitations on space for stores and new stores helped increase customer traffic throughout the downtown district.

Only a few of the replies seem totally negative in terms of future growth. The greatest effort: 12.5% say their facilities already are adequate; 6.3% view a changed outlook as "not possible"; and 12.5% point out that they only recently remodeled their stores.

"No money" is the problem faced by 6.3%, although a sizable increase in the total amount of downtown retail-commercial business might alter this situation. It could also help the 12.5% "not possible" group.

The lack of "wide open spaces" and the

absence of a general forward momentum are a matter of concern to many of the businessmen.

Of the total questioned, 18.8% report they currently are limited in space, 12.5% say it is "up to the parcel owner to build," 6.3% are in a "building to be razed," another 6.3% say "the landlord won't help," and a final 6.3% say their lease is not being renewed.

The Granite City urban renewal proposal calls for clearing of land to permit more parking and commercial facilities. It offers the only currently feasible possibility of locating enough contiguous tracts on which could be built a store of a size to not only attract extensive business itself but also an overflow of shoppers that would be of value to the entire district and community.

These are compelling reasons fully justifying a new look at the renewal plan by Granite City officials.

Punching Holes In An Old Theory

(Broomfield, Colo., Star-Boulder)

When President Johnson announced agreement to permit a site, the Dow Chemical average of 30 industrial stocks advanced 7 1/2 points in a few hours. This reaction was not totally unexpected, since the stock market had advanced on news of a possible escalation when rumors of peace talks were extant.

Yet, it belies the traditional, if unspoken, belief that war is "good business," a belief that seemed to be proven earlier.

It is normal to wonder what has caused this change in Wall Street. One theory is that our economy is changing from a production economy to a service-oriented economy and that we no longer need vast production of war materials which, with other defense expenditures, accounts for 12% of our gross national product.

This probably oversimplifies the situation. However, it seems to us that the United States has large enough and compelling enough domestic problems to take up the slack in the economy should war production be curtailed.

In the meantime, this stock market reaction punches more holes in the Communist argument that capitalism breeds on war.

County Could Get Participation By All 24 Townships In Reassessment Program

An aspect of the reassessment program being studied by St. Clair county, and of great interest to Madison county, is the fairness of their assessments, in that the plan has a built-in assurance of success. Despite possible negative attitudes in perhaps one or two of the 24 townships, full countywide participation can be obtained.

Information from the Illinois Department of Revenue indicates that each township pays a proportional share of the cost of independent reappraisals of all real estate. If township voters voted not to go along with the program, the county still could contract for the reappraisals and then secure judgment against the township for its part of the reappraisal cost.

Approval of such a plan is based on majority action by the County Board of Supervisors. Not enough may be known about it at this point to justify an immediate vote, but it is certainly worthy of study and fact-finding.

It is believed that the entire reappraisal plan could be financed over a three-year period for less than 1% of the total tax revenue. In view of the serious inequities that exist throughout Madison county, this could be a real bargain.

OCAW AUXILIARY BACKS GC POLICE, FIREMEN

To the Editor:

There was a delegation of members of the Oil, Chemical and Atomic Workers International Union Ladies Auxiliary at Monday night police and firemen's meeting. We were there to support the policemen and firemen of Granite City.

The mayor opened the meeting by welcoming the large group of supporters by stating that we were all stockholders.

As stockholders, we want to know why it is necessary for the people in this town to have to show the men who represent them on the city council how they feel in this matter by having to gather a large group of people at the meeting.

We, the Ladies Auxiliary of the Oil, Chemical and Atomic Workers International Union, picked city hall during the seven-month strike at Union Station.

We have not forgotten what happened at that time and, if asked, we will picket alongside the police and firemen for decent wages for those who risk their lives for us.

The policemen and firemen have our whole support in this matter and we women will not forget what has happened, on election day.

END DIVIDER BETWEEN TWO SHOPPING CENTERS

To the Editor:

In watching the American

Village shopping center being formed, I was quite disappointed to see dividers loom up between the two shopping centers (American and Namooki).

After the city spent a good deal of the taxpayers' money to build the shopping center, and then placed a spotlight with no turn signal at one of the most congested intersections in town, Fehling road and Johnson road, I thought perhaps the shopping center would relieve this pressure.

Now, we are to be denied this courtesy, too.

HARASSED DRIVER

REAL ESTATE TAX UNFAIR

To the Editor:

There is shameful and wholly unnecessary misuse of the real estate tax, a tax which in some

countries has never been used and is practically unknown.

While men are dying in a foreign land for freedom, we at home are losing the small homes which we try to finance by paying taxes.

And we are supposed to be free. The real estate tax was established to help the poor, but the owners of property were wealthy. Today, this situation is completely reversed.

It is not only the wealthy who pay, but also the poor, who are struggling to maintain themselves without relief. We are encouraged; instead, the government tries to discourage teaching people how to read and write, how to speak the English language, as well as other obvious needs.

3) Urban schools need help. The School Problems Commission has a sub-committee working on the urban school problems. Part of the long-range answer to the difficulties plaguing our cities today is to make sure that every child of the ghetto has the chance for a quality education.

The area of higher education has been almost totally removed from the partisan political arena, and so far there is no indication of a change in that situation.

But with one out of three Illinois tax dollars going for the education of our children, it is not surprising that state government take a long, hard look at this important area.

Impossible Promises to Public Dangerous Governmental Practice

By Otis Chandler, Los Angeles Times Publisher

Much of what Washington has been attempting in the domestic field looks far too much like the old Roosevelt New Deal slogan of "spend and spend and spend." Or the decadent Roman formula of "bread and circuses."

I want to make one thing clear: I believe that the nation, by far the richest in the world, can, in a reasonable time, and must, eradicate its slums. . . . can and must provide an education for all its citizens up to the limits of their capabilities. . . . can and must provide adequate health care for all those who cannot themselves afford it. . . . can and must find a useful way of life for its elderly. . . . can and must eliminate from its economic and social structure all inequities that arise from race and color, and can provide jobs for all who are willing to work.

But all these achievements, of which technically we are capable, can be accomplished only by the most detailed planning at a rate of progress which permits prudent implementation of the plans.

It is deceitful, regardless of how effective or necessary it may be politically, to make promises that any intelligent economist knows cannot be achieved within the implied time period.

It is inhumane and certainly self-defeating, over the long run, to hold out your hand to the poor, to the disadvantaged, to the have-nots—and then, at the precise moment when their hopes are aroused, to say "I am sorry but we ran out"—the hand is empty.

And provided, most of all, that our people's faith in themselves and in the way of life we profess to follow is not destroyed by impractical pledges.

The abuse of power for political purposes is far more dangerous to this nation than cheats or thieves in government.

One of the worst of all abuses of power is bad planning and fraudulent propping for political purposes. That is the kind of credibility gap that could destroy us.

Political Gifts Not Deductible

(Tri-City and Illinois Bar Association)

If you planned to take an income tax deduction for that \$10, \$25 or \$100-a-plate political dinner, you may as well forget those plans.

Political contributions, whether viewed as donations or as business expenses are not tax deductible.

Political contributions are classified as gifts and are subject to the Federal Gift Tax. Consequently, not only can you not deduct a political contribution from your income tax, you may have to pay additional taxes on that contribution.

It is estimated that one out of eight people in the country will help pick up the tab for the political dinner at this year's elections, including the \$40 million directed at the presidential contest.

Those who are most affected by not being able to get a tax deduction are the big contributors.

In 1964, there were 10,000 people who made contributions of \$500 or more. Of these, 130 people each gave away \$10,000 or more to political parties.

The candidate who receives these funds need not pay a tax on them if he uses them for his campaign or some related purpose. Any amount used for personal purposes will be counted as taxable income.

The Internal Revenue Service routinely checks campaign records in an effort to be certain that funds are being channeled properly. Detailed records are required for the receipt and disbursement of political contributions.

At this point, however, this is the only kind of advertising expense that can be deducted.

What's The Matter With America?

(The News Observer, Crossett, Ark.)

What's the matter with America? Plenty!

We are the richest nation on earth. Yet, our dollar is unsound and not accepted in some parts of the world.

We are the most powerful nation on earth. Yet, we are locked in a horrible little war we can't seem to win or end.

We pretend to be the most "Christian" people on earth. Yet, our cities are unsafe, our crime rate is soaring, and in every hand, there is new evidence of our disregard for God and his Commandments.

We have the best cared for, most conditioned and most fully educated youth in the world. And yet, vast numbers of them have chosen to reject their heritage, spurned their opportunities and denied their responsibilities.

We are a nation which has fought four wars in the past half century for other people's sins. Yet, we deny many of the basic freedoms to a large segment of our own people.

We are a people who live under a motto that says "In God We Trust." Yet, we have most of our wealth in the hands of insurance companies and

bonding firms.

We pay lip service to the ideals of peace and brotherhood of man. Yet, we kill our peace-makers and statesmen and let our rabble-rousers and political hacks go free.

We are a nation dedicated to law and justice. Yet, many cry only for law and order, never realizing that the former is the gift from Washington and Jefferson while the latter was best achieved under Hitler and Stalin.

There are a people who profess hatred for Communism with an all-consuming passion. Yet, by failing to fulfill our promise, we give the Communists gain. We are a people who have spent billions for war, more billions for a vast inner space, and yet pinch our pennies for churches, schools, and care for the aged, the blind, the illiterate and our poor.

We are a people who have always had time on our side. We have a system vital and alive. We could get away with talking any way and acting any way and could always postpone improvements, delay justice and extend false hopes. But now time seems to be running out.

Property Taxes Administered at State, Local Levels

(First of four articles by Dr. Leo Cohen of the SIU-SW Public Administration and a Metropolitan Affairs Program on "Property Tax Reform" and tax reform in Illinois—Madison county case study.)

Throughout the 20th century, no tax at the local level has generated more criticism, utilization or attempts at reform than the general property tax. A. M. Woodruff in "The Permanent Problem of Property Tax Reform" said that "while horrible examples of inequalities are constantly being unearthed and published, the consensus is general among tax economists that the administration of the tax has improved enormously in the last decade."

"Enough districts have attained excellence in administration to prove that excellent administration is possible, and the question is why so many districts continue to tolerate anything less."

During the postwar period, property taxes extended in Illinois increased from a half-billion dollars in 1948 to \$1.7 billion in 1965. The amounts for Madison county were \$1 million and \$31.3 million.

Thus, the prevailing challenge is to strengthen the administration of a tax which has been criticized "to death" but obviously is not "dead."

The purpose of this study is to examine the nature of equity and efficiency in the real property tax structure in Madison county. An earlier study utilized Madison and St. Clair counties assessment-sales ratio data for 1955 to 1959 in analyzing the similar problem of tax uniformity.

This present study utilizes sales ratio data for 1965, with more detailed information on land use classification.

The purpose of this section is to describe briefly the Madison county organization for assessment and review, state assessment, equalization and review, and their interrelationship.

Assessment Responsibility
The state government has essentially not levied a property tax since 1932. However, the State Department of Revenue is statutorily charged with specific assessment functions—the assessment of "operating property" of railroads, "operating personal property" of private

car lines operating in Illinois, and the capital stock of all domestic corporations except those incorporated purely for manufacturing and mercantile purposes and other specific classes which fall under local jurisdiction.

All other assessment responsibilities are given to local assessors. There are approximately 1500 local assessment districts in the 102 counties in Illinois. In the 17 commission counties, the property is assessed by the elected county treasurer as ex-officio county assessor or by an appointed county supervisor of assessments.

The 85 township counties, except Cook and St. Clair, place the responsibility for assessment with elected township assessors. In several of these latter counties, there is also an appointed supervisor of assessments but with little or no authority over the township assessor.

Madison county has 24 separate townships and assessors. Each of the assessors is a dedicated person, and the vast majority are performing most adequately, especially given the education and experience of the assessors and the financial resources allocated to this important function. Coordination and cooperation between the township assessors exist primarily because of a voluntary Madison County Association of Assessors and occasional meetings of the assessors which are organized by the county treasurer.

Local Equalization, Review
Equalization and review are under the jurisdiction of the Madison county Board of Review consisting of the chairman of the County Board of Supervisors and two other members appointed by the county judge.

The function of appeal or reviewing local assessments involves reducing, increasing or adjusting the entire assessment, or any part of any property, either on the initiative of the board or an appeal or complaint.

The role of equalizing the assessment of real and/or personal property by class has long been under the review board. In 1957, the legislature amended this section of the Revenue Act by reinforcement and addition to the board's duties.

It is not clear that there is the responsibility and authority for establishing and maintaining assessment at "full, fair cash value."

The power and duty of intra-county equalization exist to raise or lower the value of any class of property both within and between townships in the county.

The 1957 revision in the code also refers to the use of assessment-sales data, "comparison of assessed valuations and estimated full, fair cash values established through the analysis of property transfers," in implementing the specific task of local equalization.

A further enforcement provision states that if "the board has failed to make a proper and adequate equalization of assess-

ments, then the Department shall direct, determine and supervise the assessment for taxation of all real and personal property to the end that all assessments of property be made relatively just and equal."

Compliance Not Complete
There is little evidence to indicate that either County Boards of Review or the Department of Revenue are complying effectively with the intent of this statute. This may conceivably be explained by the lack of resources and/or political pressures.

An unusual exception to this latter statement is a recent experience in Madison county. On Dec. 14, 1967, the director of the Department of Revenue certified assessed property was \$223,310, filed to the Madison county clerk that its estimate of the full, fair cash value of locally-assessed property was \$223,310,000.

It was further stated that the equalization factor would be .97%, requiring a multiplier of 1.009 to raise the county's property up to full value.

The requirement for obtaining a multiplier of one, which Madison county had zealously maintained since 1953, was to raise the assessed valuation by

\$28,556,000. In those townships where the assessment levels were the highest, there was both concern and opposition to any general increase in assessments and to a multiplier greater than one.

Subsequent action in January 1968 by the Madison County Board of Review, in accordance with its revised powers relative to equalization, resulted in nine townships receiving increases from 19 to 25 percentage points in their across-the-board levels of assessment in one or more property classes. The action was based primarily on assessment-sales data provided by the Department of Revenue. This unprecedented action by the board seemed reasonable but was obviously received with mixed reaction throughout the county.

The state department then issued another order to the Madison county clerk, dated March 15, 1968, certifying a multiplier of one.

State Equalization
The General Assembly has made it eminently clear that the equalized assessed valuation of all property shall be at its "full, fair cash value."

It is the Department of Revenue's responsibility to raise or lower the total assessed value of property in each county accordingly.

The department is required to use assessment-sales ratio data, property appraisals, and other reasonable means in determining the percentage necessary to raise or lower the assessed valuation to 100%.

Although it is contrary to the statute, the department is equalizing at roughly 99% to 99% of full value.

In 1963, the legislature attempted to correct discrimination in state assessment against the railroads by requiring the department to equalize both railroad and locally assessed property at full value.

The basic effect of this legislation was to equalize (or lower) railroad valuations, not at full value, but at the lower, prevailing level of locally-assessed property. Again, this is an example of a contradiction in the law.

In the past, the taxpayer has frequently been frustrated in requesting and obtaining equity through the review of the original assessment of his property. The County Board of Review may have been rather political and stringent in upholding the assessor.

It was also expensive, time-

consuming, and difficult to obtain equity through the courts.

State Appeal Board
However, the 1967 General Assembly created a State Property Tax Appeal Board to act on appeals from Boards of Review of all counties except Cook (Chicago) and St. Clair. These two counties have elected Boards of Review.

This board, consisting of three qualified persons appointed by the governor, is a separate agency but housed in the Department of Revenue.

Since the board has only recently begun its activity, it is too soon to assess the effectiveness of its operation.

Driving Revocation, License Suspensions

Secretary of State Paul Powell today announced the following actions by the Drivers License Division of his office affecting residents of the Quad Cities:

REVOCATION — David L. Walker, 2219 Edison avenue, contributed to an accident resulting in death or injury.

SUSPENSIONS — Douglas W. Richards, 2929 National avenue, three violations; and Emil R. Schmedde, 704 26th place, three violations.

Bill Reconsidered After Vote Challenge

A challenge of the minutes of the July 22 meeting of the Granite City council led Monday night to a motion for reconsideration of an ordinance setting a 20-miles-an-hour speed limit for buses and trucks on sections of certain streets in the Seventh Ward, followed by first-reading approval of the bill.

The ordinance sets the speed limit in the 2500 and 2600 blocks of Center and Adams streets, on Benton street and Fehling road from 25th street to Namooki road, and on State street from 22nd street to Fehling road.

When Mayor Donald Partney called for approval of the minutes of the July 22 meeting, Alderman Richard Fry moved that the word "approved" for a first reading of the ordinance in that meeting be changed to the word "lost."

Vote Insufficient

Fry contended that the 8-to-6 vote cast in favor of placing the ordinance on first reading at that time was an insufficient vote, although Mayor Partney had declared it to be proper.

Fry contended that a minimum of nine votes is needed to place an ordinance on first reading, not involving a financial matter, required a majority of the quorum attending the meeting, or a majority of the legally elected council members, 16.

City Attorney Richard Allen was asked to rule on the matter and in an off-hand opinion, Allen said he believed the matter required only a majority of the quorum. Several aldermen disputed this ruling and Allen asked that the question be passed temporarily until he could check the statutes.

Half an hour later, Allen announced that he had been in error and that the vote for placing the ordinance on first

reading required a majority of the elected members, or nine votes.

As a result, the minutes were amended to the effect that the July 22 motion to place the bill on first reading had lost instead of being approved.

Toward the end of the council session, Alderman Walter Noun presented the ordinance for reconsideration and moved that it be placed on first reading. The motion carried 10-4, with "No" votes cast by Aldermen Edmund Bartosiak, Samuel Whitmer, Paul Rutledge, Richard Fry, Earl Jarrett and Emerald Dawes.

The ordinance was introduced at the request of Alderman R. E. Robertson, who said homes in the area were being damaged by the vibration of heavy vehicles traveling at high speeds along the streets.

Shapiro Backs Constitution Vote, Bonds, Horseshoe Lake

A new constitution omitting a revenue article was supported by Gov. Samuel H. Shapiro in a talk Monday evening to Madison and St. Clair county editors at a dinner in Belleville.

Urging establishment of a major airport in this region, he cited his support of a \$50,000 appropriation for an airport feasibility study in the special legislative session. The funds were approved.

In urging tax revisions, he said the present tax structure "tends to make larks out of all of us," particularly in listing personal property. He said a revenue commission is to make proposals to the 1969 General Assembly.

Opposes Restrictions

The governor urged approval of the constitutional convention call on the Nov. 5 ballot, and said a new constitution should be "simple and not restrictive."

"The legislature should be granted the power to write revenue legislation. If the people do not approve of the measures and keeping me in course of removing the lawmakers."

He said the current state austerity program will delay capital improvements, but not highway work. He said he is trying to get the U. S. Bureau of Roads to remove the "freeway" it has ordered in this region due to the alleged hiring bias and excessive costs.

Bond Proposal Sound

He urged extensive coverage of the \$1 billion air, water and recreation bond issue on the November ballot, saying the program is necessary for sound. "Some of the money to retire the bonds will be obtained from revenue and the rest from the state's general fund."

Gov. Shapiro endorsed the

Horseshoe Lake park development plan. He was accompanied by his wife and State Sen. Paul Simon of Troy, running for lieutenant governor on the Democratic ticket.

The governor commented, "After the election and inauguration, I plan to keep Paul Simon very busy traveling about the state and keeping me in close touch with public opinion and needs."

Third Youth Fitness

Awards Are Received

Misses Bobby La Mew, Joan Anderson and Barbara Ann students at Central junior high school, received awards from President Lyndon B. Johnson in the Youth Fitness Program this week by mail. It was their third such awards.

To receive the 1967-68 award, each contestant had to earn 85% or better in points in each of a series of athletic events held during the school year.

Students who received awards for the first time included Pam Clay, Becky Zulliken, Debbie Johnson, Cathy Harrington, Sherry Smith, Carla Sprankle, Ann Harris, Joan Nelson, Glenda Wells, Rita Byrnes, Brenda Milton, Kathy Raub, Donna Sanders, Paula Meszaros and Lavanna Cates.

Churches of Christ

State Fair Exhibit

The Illinois Churches of Christ Exhibit at the Illinois State Fair in Springfield is the largest Church of Christ exhibit in the nation. There for 1968 is "United Through the Bible," Rev. Philip H. Powers, pastor of the Church of Christ at 2138 Clark avenue, reports.

The exhibit is located in Exposition Hall. There will be two worship services in the Illinois Building Sunday, Aug. 11, at 10:10 a.m. and 11:30 a.m.; speaker will be Dale Smith of Elkhart, Ind., winner of Christ exhibit through Aug. 18.

Guests at the dinner were Mr. and Mrs. Larry Freese, Mr. and Mrs. Don King, Donnie King Jr., Steven Freese, Eileen Koehler and Garry Whitehorn.

speakers' contest. The Churches of Christ exhibit will continue through Aug. 18.

20 Going to Jehovah Witnesses Assembly

About 20 Jehovah's Witnesses from Granite City, Madison and Venice have finalized plans to attend the "Good News for All Nations" District Assembly of Jehovah's Witnesses in Indianapolis, Ind., today through Sunday at the Bush Stadium.

Angelo Scaglione, presiding minister of the local group, reported that all meetings at Kingdom Hall, 2822 Palmer avenue, will be continued as usual during the convention week.

Scaglione said local delegates attending the gathering will "benefit greatly not only from the rich spiritual provisions but also from the Christian association with Witnesses from more than 30 states who are attending. Upwards of 13,000 are expected."

The convention will further the delegates' knowledge of God's word and will also demonstrate how the Bible message can unite people from all walks of life regardless of race or difference in backgrounds. Only common interest in the pure worship of the creator, Jehovah God, can do this.

Some 23 departments are being set up to operate the convention. Convention officials estimate that one out of every six will be a volunteer worker, each donating his time to help operate the assembly.

Scaglione said the delegates will spend their time attending conventions sessions and calling on residents of Indianapolis to help all people get a better understanding of "God's purpose to have this earth made into a paradise."

The Indianapolis gathering will provide the delegates with the Bible and the application of its principles in regard to problems of everyday living.

Highlights of the gathering will include mass baptism of new ministers Friday morning, and a public Bible lecture, "Man's Rule About to Give Way to God's Rule" Sunday at 3 p.m. by L. K. Greenlee of the Brooklyn World Headquarters of the Watchtower Bible and Tract Society.

MORTAR TRAINING. Donald B. Lambert of Granite City prepares to fire the 8-mm. mortar during Army weapons training at Fort Riley, Kan.

Lambert at Reserve Officer Encampment

Donald B. Lambert, son of Mrs. Albert Lambert, 3724 Nameoki road, is firing the 8-mm mortar during Army weapons training this summer.

A student at the University of Missouri in Rolla, Cadet Lambert is attending Army Reserve Officers' Training Corps summer camp at Fort Riley, Kan.

During the encampment, he is receiving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects. Upon successful completion of summer camp and graduation from college, he will be eligible to be commissioned as a second lieutenant in the Army.

Cadet Lambert graduated in 1968 from the University of Rolla with a bachelor of science degree. He is a 1962 graduate of Assumption high school. His wife, Mary, lives at 348 Place road, Auburn, Calif.

States to Get Tax Funds to Aid City Law Enforcement

State aid to enable local communities to increase police salaries and training and to strengthen police pension funds is being recommended by William J. Scott, Republican candidate for Illinois attorney general.

He says money to fund the state-aid program will be available through the new multi-billion dollar Omnibus Crime Bill recently enacted by the federal government.

"In order to receive the federal funds, states must draw up an anti-crime program within the next six months," Scott explained. "Drafting this program should be given top priority in Illinois, if we are to take advantage of this unprecedented opportunity to strengthen local law enforcement."

The GOP attorney-general candidate points out that the federal anti-crime bill makes money available for new concepts and new approaches to law enforcement, but still retains state and local control.

Republicans in Congress insisted on state administration of federal grants to prevent Washington influence in local law enforcement activities.

Scott, who was a special prosecutor for the U. S. attorney general's office before he was elected Illinois state treasurer in 1962, believes state governments must work closely with local city and county law officials in the "war on crime" is to be won.

The former state treasurer says dramatic new approaches to law and order must be taken "if we are to combat the growing cancer of violence and lawlessness sweeping the country."

"We should give top priority to a massive education program stressing the rights and responsibilities of every citizen."

Ray Page, Illinois superintendent of public instruction, has assured Scott that such a program can be inaugurated through Illinois public schools.

Assistant attorney generals, state's attorneys and lawyers throughout Illinois public schools are to form a task force to conduct special classes and seminars on the role law and order play in protecting lives and individual rights, Scott reports.

He also proposes creation of a statewide Criminal Bureau of Investigation under the legal guidance of the state attorney general's office.

"Existing agencies are doing good jobs in their respective fields," Scott says, "but there still is a desperate need for a legally-trained, well-equipped centralized agency to coordinate the state's drive against organized crime."

"Syndicate crime—such as gambling, murder and vice—are usually violations of state, rather than federal law. The federal government has had primarily to use the subterfuge

Legion Post 113 to Install on Saturday

Robert Summers will be installed as commander of Tri-City American Legion Post 113 in public ceremonies at 8 p.m. Saturday at the post home. He succeeds Jim Logue.

Others to be installed are Hugh Oglesby, senior vice-commander; Ralph Ellis, junior vice-commander; Wilbert Niaper, adjutant; John Leosard, sergeant-at-arms; Abner Branding, chaplain; and Frank Toth, member of the executive board.

Dancing will follow at 9 p.m.

#3 - FRIDAY - SATURDAY "MARCO 7" - GENE BARY

Open House to Mark New Documentary Film

More than 4900 supporting members of KETC, Channel Nine, the St. Louis area's educational television station, have been invited to attend a special open house and color preview screening of the station's new local documentary film production, "Ste. Genevieve—A French Legacy." Monday, Aug. 12, at the studios on the Washington University campus. Hours for the open house are from 7:30 to 9:30 p.m., and the color documentary will be screened at 7:30 p.m., 8:15 p.m., and 9 p.m. in the Channel Nine viewing room. The Ste. Genevieve documentary runs 28 minutes.

The open house for KETC members also will give visitors an opportunity to meet members of the station's film production unit which made the film on the historic Missouri town. Each screening of the film will be preceded by a brief introduction by producer-director Don Jeffries.

The documentary, the first to be produced by Channel Nine in more than three years, was financed in part by grants from the Reader's Digest Foundation and the Foundation for the Restoration of Ste. Genevieve.

The film will be distributed to 168 educational television stations across the U. S. by the Educational Television Stations Division of the National Association of Educational Broadcasters during the 1968-69 season.

The open house will be open only to KETC contributing members; individual membership cards admit one, while family membership cards will admit an entire family.

SGT. BILLY LOVE

Sgt. Love Earns Bronze Star for Vietnam Heroism

Sgt. Billy G. Love, son of Mr. and Mrs. George Love, 113 Garechie Homes, Madison, is the recipient of a Bronze Star medal with V device for heroism in combat in Vietnam, he was informed Monday at his home.

Sgt. Love, 23, is completing three years of service in the Army and returned from Vietnam on Aug. 5. His citation, from Headquarters, First Cavalry Division (Airmobile), APO San Francisco, reads:

"For heroism, not involving participation in aerial flight, in connection with military operations against a hostile force in the Republic of Vietnam."

"Sgt. Love distinguished himself by exceptionally valorous action on Dec. 7, 1967, while serving as a platoon sergeant with Co. A, First Battalion (Airmobile), Eighth Cavalry, during a combat mission near Dal Dong, Republic of Vietnam, when his unit came in heavy contact with a numerically superior enemy force. Sgt. Love constantly exposed himself to the intense hostile fire as he led his men in an assault and succeeded in neutralizing several enemy positions.

"His actions contributed greatly to the successful completion of his unit's mission."

"Sgt. Love's display of personal bravery and devotion to duty is in keeping with the highest traditions of the military service and reflects great credit upon himself, his unit and the U. S. Army."

Before entering the service, Sgt. Love graduated from Madison high school and was employed at the General Steel Industries plant. He is to report on Aug. 13 to Fort Riley, Kan., where he will receive his discharge. He is engaged and is to be married to Miss Donna Smith, 244 Sikeen street, Madison.

British Pastor Will Talk at 1st Assembly

Rev. W. T. H. Richards and Miss Audrey Dillow will be guests Sunday at the 10:45 morning worship service at First Assembly of God Church, 24th street and Grand avenue.

Rev. Richards, pastor of one of Britain's largest evangelical churches, is a noted writer and conference speaker and also serves as director of World-Wide Christian Witness. He will be preaching in Granite City for the one service.

Miss Dillow is Queen Elizabeth's organist at the Royal Chapel, Windsor Great Park, Windsor Castle, England, the only woman to serve in this capacity.

The local pastor, Rev. M. A. Groff, is extending an invitation to the public to attend the service.

Glenview Bible School Scheduled Next Week

The Glenview Church of Christ (Christian), 2900 Maryville road, will hold its annual vacation Bible school, beginning Aug. 12 and continuing through Friday, Aug. 16, the pastor, James A. Graddy, has announced.

The classes will meet each evening from 7 until 9 o'clock. Theme for this year's school will be "God's Word, Today's Hope."

Children in the age group of three through 15 are being invited to attend. Further information may be secured by calling the director at 876-5611.

Two Traffic Charges

Stephen Brasfield, 19, of 1701 Third street, Madison, was arrested by Venice police Monday at Sixth street and Washington avenue on charges of speeding and passing a stop sign.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failure from all normal road hazards for the life of the tread with the exception of: ordinary nail punctures, fire, theft, road-end misalignment, under-inflation, over-inflation and running flat.

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tires against all defects of material and workmanship, for the life of the tread.

Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.

3. Guaranteed Against Tread Wear
The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire:

Tire Guarantee	Allowance
12-24 Months	10%
25-48 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
